

## By the Numbers 2016-17

End Sexual Violence.  
Promote Healthy Relationships.  
Create Safer Schools.

During its first year, Relation-Shift has already influenced the lives of countless educators, practitioners and students nationwide. To provide a better picture of our reach and efficacy, Relation-Shift's successes are clearly demonstrated by-the-numbers.

Founded in 2016 at the Harvard Innovation Lab, Relation-Shift was awarded the Entrepreneurship in Education Award from the Harvard Graduate School of Education and has become the go-to resource for K-12 schools working to prevent relationship violence.
