

Job Title FAMILY NURSE PRACTITIONER

Job

Description General Overview of Job Description (detailed job description available, upon request):

The Family Nurse Practitioner will provide primary health care in accordance with their knowledge base, experience, competence and within the Standards of Practice for Primary Health Care Practitioners as outlined by the American Nurses Association. In addition to clinic based services, the Family Nurse Practitioner will be expected to actively participate in outreach efforts in the southern portion of New Mexico.

Guidelines include all HMS policies and procedures.

Qualifications Graduate of an accredited Family Nurse Practitioner program

Current certification as a Nurse Practitioner

Two (2) years working experience as an RN or FNP preferably in rural setting

Current New Mexico state license through Board of Pharmacy and current DEA license to prescribe and dispense medications

Evidence of continuing education necessary to maintain licensure

Current BLS certification or equivalent or must obtain BLS certification or equivalent within first 90 days of employment

Fluent in English and Spanish (preferred) - both written and oral.
