There is something to be said about putting on a pair of heels (guys, you know what I'm talking about), getting dressed up, and having a comfortable and quiet night in the sexy Madera Lounge at the Rosewood Sand Hill. Visiting this little place in the hills always puts a smile on my face.

Starting off with some bar bites is always a familiar hello at the Madera Lounge. With seasoned popcorn, rice crackers, and other goodies, your mouth prepares itself for delicious cocktails and tapas!

The tuna tartare is impeccably fulfilling at Madera Lounge. Generous pieces of ahi tuna served along with wonton crisps and garnished with red onions, chilies, and sesame seeds. Juicy, to say the least. Refreshing to say the best.

Fromage is a must at Madera Lounge. Truffle brie, chevre, a mix of other cheeses keeps the heart skipping a beat with delight. But more enticing are the accompaniments. Seeded flatbread. Honey cream. Fig and mustard seed jam. Marcona almonds. Love.

We're always posting delicious things on our [Facebook](#) and [DishcrawlTV!](#) Stop by and say hi sometime! We'd love to hear from you. :)
