

# A WEEKEND FULL OF ADVENTURE IN THE OR WINE COUNTRY

**Attention:** wanderlust wine lovers, seeking a budget friendly adventure in your own backyard, here is a suggested itinerary along the wine trail that includes local tips and secrets, perfect for a weekend getaway. This three-day itinerary concludes with a street party in the middle of wine country. Live music, celebrity chef-run food carts, and local craft beer & wine! All proceeds benefit local charity, YCAP.

## DAY ONE

As you head into wine country, make a stop at Wolves & People Farmhouse Brewery's tasting room located in an old wooden barn, featuring cellar reserved beers, all brewed on-site. [wolvesandpeople.com](http://wolvesandpeople.com)

Continue your way down the wine trail (aka Highway 99) and look for Dos Mundos food cart (a blue shed-like structure just past Starbucks). If open, stop immediately and order the fish tacos. Your journey will have been made whole... if closed remember the location and try to hit it again over the weekend. The next best option for good cheap eats would be Kopitos in Downtown Newberg. Order the shrimp tacos and you won't be sorry.

Check into your preferred lodging. There are a ton of locals that rent out rooms on Airbnb for a nominal fee and are within walking distance of Downtown Newberg. Want to stay somewhere a little more special and interesting? How about a swanky vintage trailer at The Vintages Trailer Resort? ## DAY TWO

Get off the beaten path to find some of the best tasting rooms. Start your exploration at Red Hills Market and get a picnic lunch packed to go. Head into the country and drive up to Fairsing Vineyard. Enjoy the pinot and your lunch with a view. Next up, drive to the Ribbon Ridge AVA, where the tasting room employee is frequently also the farmer and the winemaker. Brickhouse, Trisaetum, Beaux Freres and Patricia Green Cellars are all amazing. Make sure to call ahead on these hidden treasures to verify they are open for visitors.

After a full day of wine tasting, a nap is most likely in order. Afterwards, enjoy a late-night meal at the Ruddick/Wood tavern. The steak frites and hamburger are amazing. [ruddickwood.com/the-tavern](http://ruddickwood.com/the-tavern)
