Other Ideas:

- 1) Look at bulletin boards community centers, laundromats, Safeway's, libraries, adult schools, coffee shops for ads that landlords place for rent. You can also make a WANTED ad and post it in these places.
- 2) Place a WANTED ad for free on Craigslist, Buy & Sell, Kijiji. Make sure you state what you are looking for (1, 2, 3 bedroom), use of laundry, lots of windows, parking, yard, etc. Tell them about yourself and who will be living with you. Do you have any pets? Do you drink or smoke? Are you working or going to school. Are you on EI or IA? Do you have references? Are you just starting out, but have good community references (counsellor, teacher, etc.)? What is the maximum that you can afford? Do you want it to include utilities (heat, hydro, and maybe cable)?
- 3) Let friends on your email and facebook know that you are looking for a place.
- 4) Walk or drive around the neighbourhood you want to live in and look for RENT signs on houses and apartments.
- 5) Make sure you have a list of employers and references with all their contact numbers BEFORE you go to view a suite; this way if you fill out an application, you will already have the information you need.
