Pickups can be arranged; some may be mailed. What does your membership card get you? Discounts!!

Bergfreunde has an open carpool trip to Revelstoke and Sun Peaks, BC, Canada, January 10-16, 2015. Included for \$540 are 2 nights at the 5 star ski in/ski out Sutton Place Hotel at the base of Revelstoke and 3 nights at the ski in/ski out Sun Peaks Lodge, with breakfasts. Lift tickets can be added for \$315. Contact trip leader Bob Burns at bob@inkjetman.com or 503-524-5261.

Bergfreunde will have downhill, cross country, and snowshoe trips this season. They are taking 60 people to Bogus Basin; have the annual trip to Lake Tahoe; and have a driving trip to Revelstoke and Sun Peaks in January. Their cross country ski lessons are open to other clubs. Bergie has had great success in recent years with planning non-ski trips to large cities where the participants do all the "touristy" things and get to know the city; about 50 people usually attend those trips. In May of 2015 they are going to Virginia, Washington DC, and the Outer Banks.

Cascade Prime Timers has several ski and cross country trips planned: to Big Sky, Sun Valley, Whitefish, White Pass and Red Mountain. They had a Cathlamet kayak trip and have midweek hiking trips in between seasons. Once ski season starts, they have regular groups skiing Meadows on Wednesdays and Timberline on Thursdays.

Hope on the Slopes; Ski & Ride for a Cure has announced a new promotion for next year, with prizes: **Ski Tracks**. Ski Tracks allows you to ski any resort or area (covered by Ski Tracks) and compete nationwide for prizes. Track your vertical feet skied and boarded for the 2014-

2015 ski season. Vertical tracking will be from September 1st - May 4th. Win prizes; be their top vertical competitor. For more information, check out their website: www.hopeontheslopes.net/ Registration is \$40. Vertical feet are tracked via the SkiTracks App; download the App at corecoders.com for \$.99 cents.

Mountain High Snowsport Club is planning an Amtrak trip to Whitefish February 28-March 7 and a bus trip to Crystal Mountain March 20-22. They have scheduled a one-day bus to ski White Pass on Sunday, January 18, 2015, which may be open to other clubs. The cost will be \$115 for the bus, lift ticket, and snacks.

Skiyente Ski Club will present their annual King Winter event February 21 at Charlies Mountain View, and the Mt. Hood Mania Masters Race is scheduled for February 28 and March 1, 2015, at Mt. Hood Skibowl. They will be selling Chinook Books for a fundraiser; and will have their usual wine raffle. Skiyente's family trip this year will be to Big White January 15-19, for only \$395 for 4 nights' lodging and 4 days of skiing.

Dale Parshall reported at the September meeting that the 3rd Biannual Schneeente Sailing Trip is planned for May 2016 to St Martin and St. Lucia on a 24 passenger sail boat. They will do 12 islands in 12 days. Contact Island Windjammers (www.islandwindjammers.com) or the Parshalls if interested; further details later.

NWSCC MAN/WOMAN OF THE YEAR COMPETITION

NWSCC is holding its annual Man and Woman of The Year Competition. Is there someone in your club who has shown outstanding service to the club and snow sports? There are many club members who qualify for this award! Grab a pen and write a short paragraph about them, and submit it to NWSCC. We are looking for a man and woman from each club who the club wishes to be honored because they have demonstrated outstanding service to their club and the ski community. Any club member may directly nominate someone from ANY NWSCC club who they feel is deserving of being chosen as NWSCC's Man and Woman of the Year! You may submit your entries with a description of why the person deserves the honor by email to Julie Rasmussen at secretary@nwskiers.org. **ENTRIES MUST BE RECEIVED BY MARCH 1, 2015. WINNERS WILL BE ANNOUNCED SHORTLY AFTERWARDS.**

The NWSCC Board will review all Man and Woman of the year nominations and will choose one man and one woman to be NWSCC's 2015 winners. In making its choice NWSCC will consider FWSA's criteria, which includes service not only to a person's club, but also to their Council, their Community, and FWSA. The Man and Woman selected will go on to the

FWSA level to compete against the other councils in FWSA. The Council Man and Woman must attend the FWSA 2015 Convention in order to compete at the FWSA level. NWSCC will pay their Convention registration fees. This is a great way to meet other Council/Club members and contribute to FWSA programs. The overall winning Man and Woman at the FWSA level each wins a 5-night trip for two to Big White Ski Resort—the sponsor of the FWSA Man and Woman of the Year Competition. All nominees will be recognized at upcoming NWSCC special events. To review the FWSA Man and Woman of the Year forms, please visit their website at www.fwsa.org. NWSCC will assist with completion of the application form.

FWSA AWARDS PROGRAMS AT UPCOMING FWSA CONVENTION:

The annual FWSA convention includes the opportunity for your club to be recognized with several awards competitions. In addition, there are special annual awards which include valuable prizes, such as ski trips for two people to the sponsoring ski areas! We would like to see MANY of our clubs entering the awards competitions and sending their members to Convention. There are no opportunities quite like this for your club to gain recognition for its accomplishments!

The easiest entries for your club are for **Wentworth Outstanding Club Publication** and **Outstanding Club Website**, and while it is a bit more effort to prepare a **Tollakson Outstanding Club** application, your club will be

judged against other clubs throughout FWSA, and it is really fun to WIN! With your entries for each award you need to submit the name of someone from your club who will act as a judge in the category you are entering; it's easy because the judge will only need to look at two other club's newsletters or websites. See the FWSA website: www.fwsa.org/Awards/awards-communication/communication-awards.html

The class designations for the club awards have been restructured this year to provide a more constructive competition, and classifications are now based on a 4-year period of time. The **new categories** are:

Novice – Any club that has never entered the communication awards competition or entered and been a 2nd, 3rd and no place Novice winner in the previous four years in the outstanding club, publication or website competition.

Advanced – Any club that has received a 2nd or 3rd place Advanced awards or 1st place Novice award in the previous four years in the outstanding club, publication or website competition.

Masters – Any club that has received a 1st place award in the Advanced awards or 1st, 2nd or 3rd place Masters award within the last four years in the outstanding club, publication or website competition.

Your club can also enter the **“Club & Council Historical Recognition” Program** with a history of your club - potential museum or library reference resources!

Is your club active in community service or charitable activities? Then enter the **“Charities and Our Community Service Recognition”** program for the chance to be one of 3 clubs to receive checks to be donated to the charity of your choice!

Individual awards (with prizes!) that are well worth entering are for the following:

Western Ski Heritage Award: The purpose of the Far West Western Ski Heritage program is to raise the awareness of skiers and non-skiers alike of the contributions made by individuals, groups, or companies to all aspects of skiing – competitive as well as outdoor winter recreation and fitness.

A parallel purpose of this award is to convey the positive role skiing has had in its contributions to the communities in the West. The prize is open to an individual or a group leader (not restricted to FWSA members) and can be self-nominated or nominated by a club or club member. Prize is awarded on basis of a history product or a work in progress. Sponsored by Steamboat Ski & Resort Corporation since 2000 – the winner is awarded a five-day ski package for two in Steamboat with lodging, lift tickets, rentals, lesson, lunch, and more! (Last year the winner was

our own Emilio Trampuz, who is planning his trip to Steamboat this year! Next year it could be YOU!)

Safety Person of The Year Award: This yearly award honors the person who has done the most to promote safety consciousness within the association. This can be done through a variety of methods including safety articles, on-mountain activities, presentations, public speaking, working ski patrol, creating posters or banners, and many other activities. Sponsored by Telluride Ski Resort & Mountain Lodge Telluride – the winner is awarded a five-day ski package for two in Telluride with lodging, lift tickets, and rentals.

Environment Award: The Environment Award is designed to encourage good stewardship of our environment. We want to inspire and reward creative efforts to conserve and protect our environment. This award should recognize a special action that the applicant took, or something he or she put in place that made a difference. Some areas to consider are: Volunteering at the community level – particularly in some leadership role; conducting or arranging for an environmental oriented event(s) – either for club, council or public; writing a series of columns regarding environmental conservation, education or protection in your ski club or council newsletters; being proactive in environment protection. Sponsored by Aspen/Snowmass, The Gant, and The Crestwood – the winner is awarded a 5-day ski package for two in Aspen/Snowmass with lodging split between The Gant in Aspen and The Crestwood Condominium Hotel in Snowmass, including lift tickets, rentals, and group lesson.

NWSCC encourages ALL of our member clubs to consider entering these competitions!! Go to the FWSA website under Awards for full details. We want to see OUR clubs as winners at Convention!

NORTHWEST SKI CHALLENGE:

Winners of the 2013-2014 Challenge will be announced in December. (Not everyone who entered is guaranteed a prize.) Once the snow flies, start saving your lift tickets so you can enter next year's competition!

From FWSA NEWS:

Learn to Ski and Snowboard/Bring a Friend: The organizers of the Learn to Ski and Snowboard/Bring a Friend initiative have updated and re-launched the initiative's web presence. New features enable folks to more easily find information from ski/snowboard areas and retail shops. The site originally focused specifically on the month of January, which was "Learn to Ski and Snowboard Month." Initiative partners wanted the flexibility to better promote learning programs that take place at other times, since lessons from professional instructors are available all winter long. "Our goal is to encourage taking lessons from professional instructors," said Raelene Davis, VP of Marketing for Ski Utah and chair of the initiative. "January still will be 'Learn to Ski and Snowboard Month' because many ski and snowboard areas like to offer their best learning deals then. It's a great PR hook that enables us to focus the public's attention and the industry's attention on a specific time frame. However, since lessons are available all winter, we want to make sure that we are getting that message across to newcomers as well". The new URL is learntoskiandsnowboard.org.

THE 20TH ANNUAL WINTER TRAILS DAY IS JANUARY 10, 2015. This year's Winter Trails day offers kids and adults an opportunity to try snowshoeing and/or cross country skiing FREE at over 100 venues throughout North America. There is no charge for the use of equipment or trails. Most locations offer snowshoeing AND cross country skiing. Some locations only offer snowshoeing and an estimated 11,000 new enthusiasts trying cross-country skiing and snowshoeing each year through Winter Trails and most event sites operate daily with rentals and instructors to make sure everyone learns correctly and has a great time. Locations, hours and offerings are posted at wintertrails.org and venues include alpine resorts, Nordic centers, state parks, National Park Service and U.S. Forest Service land. Advanced registration is suggested, but many sites also offer on-site registration. Get the details about the 100 event's listing on the Winter Trails at www.wintertrails.org/wintertrails.aspx.

"FIRST DAY FACES" CONTEST FOR NEW SKIERS. A new campaign called "First Day Faces" debuted in December as part of the snow sports industry's efforts to attract new skiers and snowboarders. The social media campaign features the happy faces of "newcomers" who just took beginner lessons. Beginners have a chance to win a free ski trip to Utah by entering the First Day Faces promotion. Newcomers simply register and share their positive experiences about learning how to ski or snowboarding via lessons with and a photograph taken on the slopes in their posts. One photo will be selected weekly and will be posted on the learntoskiandsnowboard.org web site. The campaign ends February 28, 2015, and the Utah trip winner will be announced immediately after that date.

SKI NATION MOBILE APPLICATION AVAILABLE FOR IPHONE AND ANDROID. The new Ski Nation mobile app features updated snow conditions, trail reports, trail maps, photos, and resort information for more than 1,000 ski venues in North America, a list that's expected to grow as more "off-the-radar" areas are found. All ski venues are pre-loaded including downhill alpine areas, cross-country, and even ski jumps. The list includes major resorts, regional areas, local ski hills, and community facilities.

Skiers and snowboarders can also collect free digital pins to track a lifetime of all the places they've been, how many seasons on snow, gear preferences, skill, and more. "It's the modern version of old-school ski pin collecting," says Jack Turner. "Ski areas large and small have submitted unique designs that users can keep in an online pin collection. See <http://www.skination.com> for more information and to download the Ski Nation mobile app from the Apple Store or Google Play.

POWDER ALLIANCE PARTNERS WITH SKI NATION MOBILE APP. The Powder Alliance (www.PowderAlliance.com) has selected Ski Nation® as the official mobile app for the coalition of 13 western ski resorts. The Powder Alliance areas include Crested Butte, CO; Snowbasin Resort, UT; Sierra-at-Tahoe, CA; Stevens Pass, WA; Timberline, OR; Schweitzer, ID; Angel Fire Resort, NM; Bridger Bowl, MT; China Peak, CA; Mountain High, CA; Arizona Snowbowl, AZ; Mt Hood Skibowl, OR; and Silver Star, BC. Ski Nation allows users to collect a digital ski pin from any place they ever skied in North America. Skiers and snowboarders who claim a pin from each of the 13 Powder Alliance resorts are automatically awarded a commemorative "Powder Alliance 13" ski pin for their on-snow history. It can be shared on Facebook, Twitter, and by email. The Powder Alliance is also conducting a contest to visit all 13 resorts during the 2014-15 ski season. Skiers and snowboarders that complete the entire circuit this winter will also be awarded an additional ski pin for the "Wild West Powder Quest." Each Powder Alliance resort visited counts as an entry to win a variety of prizes.
