The ski shows are a great venue to showcase your club and its membership benefits. All clubs in NWSCC are welcome to display their brochures/photos at the NWSCC booth, but no large club banners or posters will be allowed. When volunteering to staff the booth, you will be representing all of NWSCC's member clubs and the Council as a whole. Clubs can set up starting the day before each of the shows. NWSCC has a 10x10 booth, with an 8' skirted table, at each show.

For volunteering, you will receive FREE admittance to the Ski Show—Portland or Seattle. To volunteer for a shift at the Portland Ski Show, please contact Christine Ciardi at membership@nwskiers.org. To volunteer for a shift at the Seattle Ski Show, please contact William Shadbolt at Washclubs@nwskiers.org.

The ski shows are a lot of fun, with all the major ski resorts and retailers showing their goods—it's also a great place to purchase new equipment. Seattle now has a giant ski show and sale with all of Seattle's best ski and snowboard shops—save up to 70% on ski and snowboard gear at both shows! Volunteer to work the booth and you can spend some time afterwards shopping!

NWSCC's Ski Fair event is scheduled for **November 18, 2013**, and this year will be held at the Holiday Inn Airport, 8439 NE Columbia Boulevard, Portland, Oregon 97220. The doors open at 6:00 pm. Take advantage of this early opportunity to visit with snowsport industry reps, see new fashions, and visit other club members. Discounted ski passes will be available.

Admission is FREE for Ski Fair and this event is open to the public—so invite all your co-workers, friends & neighbors. The show highlights ski/snowboard resorts, retailers and clubs, as well as safety programs and racing programs. No host

beverages available.

The **SILENT AUCTION** at Ski Fair will offer some awesome ski trips and equipment. Remember that this is a free opportunity for your club to have a booth to show off what you are all about! If you are interested in booth space, volunteering for this fun kick-off event, or donating items to auction or for the "goodie bag" items, please contact Debbi Kor at 503-314-7078 or events@nwskiers.org, or Mary Olhausen at 503-880-7383 or president@nwskiers.org.

NORTHWEST SNOWSPORTS ADVOCATES NEWS:

US 26 MOUNT HOOD HIGHWAY SAFETY PROJECT

The Oregon Department of Transportation is in the early stages of developing a project to improve safety on the Mt. Hood Highway (U.S. 26) just east of Rhododendron and west of Oregon Highway 35. Go to the online open house at www.us26mthoodsafetyopenhouse.org. This interactive tool includes a series of stations where you can learn more about the project. At the end of the open house you will have opportunities to provide comments. **YOUR INPUT CAN MAKE A DIFFERENCE!!** Thank you for participating!!

The Oregon Department of Transportation (ODOT) will be implementing several safety improvements on Highway 26 between Rhododendron and the junction with Highway 35. The work will take 3 years, from 2014 to 2017. Some of the rock cliffs above the highway will be blasted away to reduce rock fall hazards. Also, it is proposed to install a center barrier on 2.3 of those miles. The passing lanes will be extended by 1,400 feet to give motorists more space and more time to complete passing maneuvers. ODOT has come out with a Fact Sheet and Frequently Asked Questions Sheet about the scheduled improvements on Highway 26 between Milepost 49.2 and MP 57.45 which should be of great interest to anyone traveling across Mt. Hood. We have attached both documents on the newsletter page.

Reprinted from MOUNTAIN HIGH SNOWSPORT CLUB'S "LIFT LINES":

Forest Service in charge of Old Mt. Hood Hwy.

The first road built for cars to and around Mt. Hood was built in the early 1920s and completed by 1924. In 1937, President F. D. Roosevelt used this old road when he came to inaugurate Timberline Lodge.

This old road has both **historic** and **recreational** value, even though it has been neglected for the past 60 years. A portion of the old highway just west of Government Camp has been torn up by the Forest Service in the summer of 2012. Only about 100 yards has been torn up.

UPDATE: Emilio Trampuz (of Mountain High) has recently met with two Forest Service representatives at the Zig Zag Ranger District. They both seemed very friendly and helpful and showed a willingness to improve the area for recreation.

If you write to them, don't focus on criticism of the upturned roadway, though you can mention it. But focus on **positive alternatives**. They want to hear from you.

What would you like to see happen? What form of recreation are you seeking (hiking, biking, jogging, horse-riding)? Would you like to see the upturned asphalt cleared away? Would you like to see an interpretive trail with signs, especially since the old Barlow Road follows the exact same route as the old paved highway west of Government Camp?

Contact the **Zig Zag Ranger District**, 70220 E. Hwy. 26, Zigzag, OR 97049. Phone: 503-622-2001. Email:

POWDER ALLIANCE

How would you like to ski at 12 ski areas for the price of one? This is now possible, thanks to the alliance forged among 12 ski areas in the western USA. The deal is that anyone with a season pass from any of these ski areas receives not only unlimited skiing at their home ski area but also 3 free lift tickets at *each* of the other ski areas (excluding Saturdays and holidays), as well as special offers on lodging, rentals, and buddy tickets. This offer applies to anytime passes only.

The Powder Alliance consists of the following 12 ski areas: **Timberline (OR), Mt. Hood Skibowl (OR), Schweitzer Mt. (ID), Bridger Bowl (MT), Stevens Pass (WA), Sierra-at-Tahoe (CA), China Peak (CA), Mountain High (CA), Snowbasin (UT), Snowbowl (AZ), Crested Butte (CO), and Angel Fire (NM).**

In effect, you get 12 resorts, 123 lifts, 806 trails, and 26,782 vertical feet. All for the price of one season pass! There is no additional charge for the Powder Alliance deal. Just get a season pass (a Fusion Pass for Oregonians).

Newly announced is the **Mountain Collective Pass**. It's a similar cooperation between several ski areas: Whistler/Blackcomb, Aspen/Snowmass, Jackson Hole, Alta/Snowbird, Mammoth Mt., and Alpine Meadows/Squaw Valley. This is not a season pass. It's a 12-time pass, with a maximum of just 2 days at each destination (6 areas total). It has no blackout dates, and it costs \$379. Additional days at the resorts are 50% off, and there are lodging discounts up to 25% off. For further information, go to www.mountaincollective.com. Limited quantities of this pass are available, so hurry if you are interested!

YELLOWSTONE CLUB -- BIG SKY OWNERS PURCHASE UPSCALE DEVELOPMENT

CrossHarbor Capital, owner of the Yellowstone Club, and Boyne Resorts, owner of Big Sky Resort, have purchased The Club at Spanish Peaks, a 5,700-acre upscale residential development near Big Sky, for \$26.1 million. The Club at Spanish Peaks had filed for Chapter 7 bankruptcy in 2011. The Club at Spanish Peaks operated three private chairlifts for its members, who could use the lifts to access Big Sky's Southern Comfort lift to ski Andesite Mountain or get to Lone Peak.
