2011 BACHELOR BLAST TRIP RECAP:

We had 49 people under our lodging package, and an additional 20 who made their own reservations with Discover Sunriver or had their own private lodging at Sunriver. Of these participants, there were 19 people from SKIBACS (Seattle), 26 from Mountain High Snowsport Club (Portland), 4 from Altair (Eugene), 4 from Bergfreunde (Portland), 2 from Cascade Ski Club, 6 from Schnee Vogeli, including family (Portland), 6 from Skiyente (Portland), and the two traveling the farthest were Dick and Jonnie Shawkey, from Modesto Ski Club (Bay Area Council). Most people came in on Thursday night and skied Friday and Saturday - the two better days, because there was some new snow on Friday, Summit opened on Saturday with great groomed runs, and Sunday, well, it was more "spring like."

Discover Sunriver Vacation Rentals was our host property manager, and treated us extremely well!! They had an envelope for each trip participant which include maps, coupons to local restaurants and shops, and a \$75 off certificate for anyone booking 5 or more nights in the summertime! They were awesome to work with, and I would highly recommend them for anyone wanting to rent private homes or condos in Sunriver. [They have been a commercial member of NWSCC for the past 3 years, and we appreciated their support! If you are making a reservation, ask about the NWSCC discount.]

Since some of our people did not come in until later on Friday night, our big party was Saturday night. Held in one of our rented houses with a HUGE living room, plentiful food was provided, and everyone ate and mingled and all told had a wonderful time!! Many thanks to Discover Sunriver and to Mt. Bachelor for giving us such GREAT prices!!

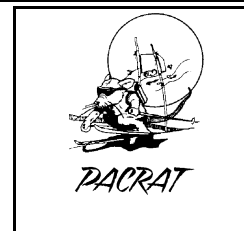

DID YOU KNOW? The new electronic tickets that are scanned at the lifts contain details about you and the type of pass you are presenting. If you have a season pass, your name will flash on the scanner. Our tickets for the Bachelor Blast had our names on them, and were not transferable. A young man who was given one of our tickets on Sunday was stopped when a female name flashed up on the scanner, and was charged with theft of services and charged a \$200 fine, plus charged for a full price ticket for the day. Please respect our ticket restrictions!!

What: **NWSCC Clubs 4 Play Golf Tournament**

PACRAT INFORMATION:

The Rat Attack was held April 15, 2011, at The Refectory, and the winning teams for the year were announced. Here's the report from Dale Parshall: Thanks to everyone's help slipping, we had a great last race at Ski Bowl. It had been a while since we last ran on Dog Leg and it was a fun course. Ruttin' Rats (Schnee Vogeli) made it interesting by scoring only 24 points, of which 18 went to the bottom line due to the 4 out of 5 scoring system. Avalanche Express (Mountain High) scored 41 counting points, but came up 4 points short, giving the title to Ruttin' Rats! Racy Brats (Skiyente) and Rattitudes (Mountain High) were only another 2 points back in a tie for 3rd, and Kiss My Wax (Skiyente) rounded out the top five.

King and Queen Rat are awards to racers who show the most consistent and greatest improvement over the course of the season. This year's King Rat is John Barton (Schussing Shysters, Mountain High) who improved his handicap in three races and showed an overall improvement of 41%. Queen Rat is Natalie Shaffer (Slic Chics, Skiyente) who showed improvement in every race and had an overall 40% improvement over the year.

Full details are on the PACRAT website, including Dale's annual statistics. The correlation between participation and final team standings is very clear. Dale says the year went pretty well and better than recent seasons, even with the weather issues. The new timing system worked well and we should improve as we learn its nuances.

PACRAT elections will be held in conjunction with NWSCC board elections on Wednesday, June 15.

FWSA NEWS AND TRIPS:

Nominations for FWSA Officers: Mike Sanford is taking nominations for officers to be elected during the upcoming convention in June. Offices that will be elected are: President, Secretary, Treasurer, and VP's for North American Travel, Public Affairs and Council Services. Additionally, two Trustee positions will be elected. You may contact Mike at bubasanfrd@aol.com if you would like to make a nomination, nominate yourself, or obtain more information. Job descriptions are available upon request. A formal nomination announcement will also appear in the

upcoming Councilman. The current slate of office holders can be found on the FWSA webpage at www.fwsa.org.

The 79th Annual **FWSA Convention and Snowsports Leadership Academy** will be held **June 9-12, 2011** at the fabulous Pacific Palms Hotel & Conference Center in Industry Hills, hosted by the Los Angeles Council of Ski Clubs. The Pacific Palms Golf Course (where the tournament will be held) is rated number one in the nation.

Pacific Palms is now taking room reservations. Just log into our special reservations site at: www.pacificpalmsresort.com/FWSAlogin.htm. The Login is fwsa and the Password is 2011. In addition to the Snowsports Leadership Academy, this year's Convention will feature a special Multi-Media Presentation in conjunction with the Convention theme - Making History, the Annual Silent Auction and Travel Expo, plus a variety of fun optional events. For complete information about the Convention, log into www.fwsa.org. Click on Convention 2011 / 2011 Delegate Information and select Convention Flyer from the list. Delegate packets have been sent to club presidents, and are available on the website. For information about the hotel, go to www.pacificpalmshotelUSA.com. When making airline reservations, the hotel is apparently closer to the Ontario airport than the Los Angeles airport. There is a code for a 7% discount if you fly Alaska Airlines, and there is a 20% discount on airport shuttles through Super Shuttle (website www.supershuttle.com/default.aspx?GC=DF2DR puts in the discount code for you).

The June 2014 FWSA Convention will be hosted by NWSCC!! We are looking for a host hotel or resort - we hosted our last convention in Bellevue, and will be looking for a hotel with sufficient convention space (minimum 12,000 square feet) and access to a golf course.

Sign up NOW for the **2nd Annual FWSA Dive Trip to Roatan, Honduras, October 22-29, 2011**. Dive Package: \$929/person Non-Dive Package: \$849/person. The Far West Ski Association's 2012 Ski Week will take place in Jackson Hole, Wyoming, January 28-February 4, 2012! Plans are underway for a truly memorable week, including an optional ski day at Grand Targhee. Jackson Hole is a skier's mountain with lots of challenging terrain, but offers plenty of runs for the intermediate or beginner skier as well. Non-skiers can enjoy a cowboy-driven sleigh tour of the National Elk Refuge, shopping in the authentic western town of Jackson, and heavenly treatments at any number of spas. Also, Jackson Hole is close to Yellowstone Park, providing options for a memorable winter tour. A \$100 deposit check to NWSCC will hold your spot and is fully refundable until the end of June 2011. **We are holding a limited number of spots on this trip, but must turn back any unsold spots in early July.** So, please plan ahead and join this spectacular trip now. You may not be able to get on the trip if you wait until thoughts of winter inspire you in the fall. NWSCC would like each participating club to name one in-club trip leader for this trip, to work with our NWSCC trip leaders Barbara Bousum and Christine Ciardi. If you bring 30 participants from your club, you may earn a complementary spot on the trip!

The 2012 FWSA International Ski Week will be held in Chamonix-Mont-Blanc, France! Dates and further details are TBA.

WOULD YOUR CLUB LIKE TO EARN A COMP ON ANY FWSA SKI TRIP? All you need to do is to bring 30 people, and the comp is yours to do with as you please. This might be shared if more than one club with in-club trip leaders has a total of 30 participants. This would also give you more input into future ski weeks that FWSA plans.

FWSA offers one USA ski week, one European ski week (usually with pre and post-trip extensions), and a number of "adventure" trips. For information on all FWSA International trips go to www.FWSA.org or contact the FWSA VP of International Travel, Norm Azevedo, by email fwsatravel@sbcglobal.net or phone 925-944-9816.

"Local" Mt. Hood news: **Mt. Hood Meadows** has announced plans for construction of its first new lift since 2005. In early May, work will begin on removing Stadium, one of Meadows' original lifts, and replacing it with a new generation Poma high speed detachable quad. This important project will not only improve the overall skiing and riding experience for guests, but also allow for important wetland restoration in the base area. The new, modern lift will represent a significant upgrade over Stadium. Maximum uphill capacity will reach 2,000 people per hour, versus the current maximum of 1,200 which the lift rarely achieves. With a more robust design, the new lift will be more stable in high winds and will therefore run at maximum capacity more often. The bottom terminal will be much closer to the lodge - guests will find the load point approximately 300 feet closer than it is currently located. The top terminal will be placed on the ridge near the top of Heather lift, which will significantly improve access to the north side areas, including Heather Canyon, Shooting Star, and Hood River Meadows. According to Mt. Hood Meadows CEO Matthew Drake, "A significant element of this project is the restoration of the wetland complex at the base of Blue chair over to the bottom of Mt. Hood Express and continuing to the base of Stadium. This project will restore approximately 1.5 acres of wetland within our area. It will also include innovative design engineering for the re-construction of existing roads to 'float' above the wetland areas without impacting their hydrological function or the propagation of wetland vegetation."

LEARN TO SKI/SNOWBOARD MONTH GAVE 75,000 LESSONS - According to the organizers of Learn to Ski and Snowboard Month (LSSM), 2011 ski areas nationwide provided more than 75,000 lessons to children and adults this January.

Northstar-at-Tahoe will install a new high-speed quad chairlift on the backside of the mountain -- accessing additional glade skiing and two more trails, which will increase their skiable terrain by 10 percent.

CALIFORNIA'S FIRST INDOOR SKI RESORT?

Recognizing the value of burgeoning California snow skiing market, Pensus Lake Berryessa Properties is proposing to construct the first indoor ski hill in California at its Manzanita

Canyon Resort. Pensus Ski Berryessa will operate year round and plans to add a special feature for snow boarders during the summer months. From Labor Day through Memorial Day they plan a specially-designed half-pipe which will send snowboarders sailing out over Lake Berryessa, which is in Napa County, California.

As with the many other such indoor ski facilities in Texas, North Carolina, New Jersey, and Nevada that have been announced in the past few years, we'll wait and see what actually happens.

VAIL'S EPIC PASS PRICES ANNOUNCED

FROM FWSA NEWS:

NWSCC was pleased and excited to host an après ski party for 23 members of the King of Prussia Ski Club from the Eastern Pennsylvania Ski Council, who were skiing at Mt. Bachelor and Mt. Hood in late February. The Collins Lake Clubhouse, located in Government Camp, Oregon,

was the site for the party. Paul Hansell from Collins Lake Resort, and Sheri Parshall, President of NWSCC, were on hand to welcome our neighbors from the East Coast with appetizers and beverages, followed by a question-and-answer session about Oregon and Mt. Hood. NWSCC welcomes the opportunity to host a get-together for any and all out-of-state clubs visiting Mt. Hood.

· Skiers Guide—Did everyone read Part II of the feature article "But, Where are the Other 90%?" which appears only in the digital edition of the 2010-2011 Far West Skier's Guide? Ski resorts offer plenty to do during the summer months, as well. We also have some new advertisers. Please check them out, and support all our industry partners. www.farwestskiersguide.com or www.fwsa.com. Pass the word to all your members.

· U.S. Ski Resort Count: from 735 TO 471 in 30 Years - The National Ski Areas Association reports that in the winter of 1982-1983, there were 735 ski resorts operating in the United States but that by 2010 that number had dropped to 471 resorts. And we can deduct from the list, Maine's Big Squaw, New Hampshire's Tenney Mountain, and Vermont's Ascutney -- all of which have closed permanently before or during this ski season.

· Vail Resorts has announced a \$30 million investment plan for Northstar-at-Tahoe ski resort that will include new restaurants, national retail outlets and 10 percent more skiable terrain for the 2011-12 winter season. On-mountain improvements: With a vertical rise of 1,440 feet, a detachable express quad chairlift will be installed this summer on "The Backside" of the mountain, providing access to expanded terrain and new ski trails. Two new intermediate trails will be served by the lift, Vail said, and new snowmaking will be installed on Drifter — an existing ski trail that also provides access to The Backside — and one of the new trails. An on-mountain restaurant will be constructed near the top of the Tahoe Zephyr Express lift, according to Vail, offering 500 indoor seats and 200 outdoor deck seats. Menu items will include pizza and specialty soups and sandwiches. Village enhancements: Northstar village will also receive a facelift, Vail said, as plans for next winter include opening national retail outlets Patagonia and Burton, as well as expanding the North Face store in a new location. Vail also plans to add a new restaurant in the village, where work will begin this spring and summer.
