PREZ SAYS

Hey, Snowriders...Happy New Ski Season! Since summer seemed to have bypassed the Northwest, I vote we go directly to winter!!

I've recently attended the annual 3-day summit meeting of the National Ski Council Federation, and WOW, this was a great meeting. The Federation, which was organized in 1999, is comprised of 30 snowsports councils all from all over the United States. The Federation meets annually at a ski resort somewhere in North America. This year's meeting took place at Snowmass, Colorado, where we were hosted by Aspen Skiing Company.

TIMELY ALERTS:

The **Mt. Hood Snosport Swap** will be held **October 8-9, 2010**, at the West Linn High School, 5464 West A Street, West Linn, Oregon. Equipment, clothing and accessories for all winter sports are available, including nordic and alpine skiing & snowboarding. Sports retailers around the northwest will be there to sell thousands of new and demo'd equipment items at incredible swap prices! Consignment items will be accepted, and you could make money on your old ski gear. The Swap benefits the Mount Hood Ski Patrol and the West Linn High School Snowboard Team. See mhsss.com for full details!

PACRAT / NASTAR 101 will be held **October 20 from 7-9 pm at Macadams Bar & Grill**, 57833 SW Macadam Avenue, Portland, OR. This is a recruitment and education class, open to everyone. Bring friends who might be interested in racing! New developments will be presented and explained, including our new Wireless Timing equipment, and our participation in the NASTAR program. Door prizes, T-shirts, appetizers, non-alcoholic beverages. No host bar. Happy hour, and more. **RSVP by Oct. 13** by email to Barb Pressentin, BP2Ski@Gmail.com

While the Federation itself is represented by the 30 council presidents, this year there were over 30 ski industry/resort representatives in attendance as well. The industry and council presidents spend a great deal of time together, working on issues that help us all help each other. A standardized RFP (Request for Proposal) form and Fam (Familiarization) trip guidelines are just two of the products that have resulted from our partnership, and are available to all snowsports clubs on the Federation web site, www.skifederation.org.

The Federation offers a great deal of information ski clubs can use for organizational purposes. In addition to the previously mentioned RFP and Fam Trip Guidelines, there is also boilerplate for by-laws, information on preparing

budgets and “how-to” suggestions for organizing a ski club.

You’ll also find presentations from past meetings, including an outstanding presentation given this year by Michelle Moskowitz, Florida Council, on the new high-tech tools you can use to market your club—go to the “Helpful Info” link for this one.

Go to the “Benefits” link, and you’ll find dozens of benefits available to your club members, including travel

insurance, lodging discounts, equipment rental discounts (My favorite? The Federation ski pole with all the ski club council logos on it for \$29.50!)

Check out the website. You’ll see that, not only are you a part of the best council in the country (shameless self-promotion!!) and FWSA, you’re also part of a huge national network of snowriders just like you. The Federation is there to help us all!

RECAP OF SEPTEMBER NWSCC MEETING:

Guest speakers at this meeting included **John Gastineau**, President of the **Mt. Hood Ski Patrol**. Founded in 1936, it is the oldest ski patrol in the country, and has about 300 volunteer members. The Hill Patrol wears the familiar red coats with a white cross; Associates have blue coats; there is a Nordic Patrol; and a Host Patrol provides ski hosts for Timberline and Ski Bowl (yellow coats). Everyone except the Host Patrol is trained as a first responder, with special training for chair evacuation, avalanches, search and rescue, and mass casualties. The MHSP provides all first aid supplies for Timberline and Ski Bowl, as well as all the sleds, backboards, oxygen, and other medical equipment. The first tryouts this year will be held December 11. Their money is raised by dues (can you believe people PAY to work that hard?), donations (always welcome), and fundraisers. This year’s main fundraiser is a continuation of a joint venture with the West Linn High School snowboard team, and is a **Ski Swap and Sale** to be held **October 8-9, 2010, at West Linn High School**. Details are on the front page of this newsletter.

Our second speaker was **Paul Horsell** of **Collins Lake Resort** and **Grand Lodges Mt. Hood**, Government Camp, Oregon. The Collins Lake properties were among the first luxury lodging built in Government Camp, and the Grand Lodges is the latest phase, with 2,000 square foot condos with full or 3-week flexible fractional ownership being offered with trading opportunities through other organizations. You can book a “Discover Package” for \$98/night if you view a presentation about the resort. Collins Lake Resort manages rentals for about 1/3 of the privately owned properties. There is a “family” of affiliated companies, which means that individuals or groups can book lodging and receive discounts on lift tickets at the three areas on Mt. Hood (especially at Mt. Hood Skibowl), at the Mt. Hood Adventure Company, and even get a pizza party at The Ratskeller thrown in. For group events, there is a Chalet at Collins Lake which can handle about 30-50 people, and a room at the Grand Lodges which can hold about 20-40 people. Watch for an après ski party on December 11 hosted by NWSCC which will be open to all members. See attached flier for group specials for the upcoming year.

Our third guest speakers were **Dave Tragethon** and **Barbara Pressentin** (the newest employee) of **Mt. Hood Meadows**. Dave said that there is a fantastic new chef at the Cooper Spur Inn - a great place to stay if you are skiing Mt. Hood Meadows, and also a wonderful place for a wedding or corporate event.

Meadows will be at Ski Fair on November 8, and will take **pass pictures** at that event, as well as selling **ten time ski passes** for the best price anywhere - \$330! (They are \$349 on the website.) This is another good reason to make plans to come to Ski Fair!

This coming year the Nordic Center at MHM will be open from Thursday through Sunday, and you can add on a MHM Nordic and Cooper Spur Nordic endorsement to your season pass for only \$40.

This summer the main work was on the slopes, involving summer grooming for gladed skiing. In the lodge there

is a new sports shop (Outer Limits Sports) with clothes specifically designed for our weather in the Northwest. The High Performance Center has a 30 day price guarantee on any equipment sold (meaning that you can buy equipment at a great price from a ski area). There is a new custom “Boot Lab” with custom boot fitting, even offering a heat moldable liner to make your ski boots fit EXACTLY to your feet. In the food service sector, a new Fresh Track Deli replaces the Meadow Mart, and will offer local, organic, and healthy products. Some food prices are being lowered, and there is more attention to offering healthy options. Season pass holders will receive discounts on food at some of the eating areas.

The biggest new thing at Meadows is the Vertical Performance Institute, which is an all-in-one resource which will focus on providing a totally customized package for groups or corporations to enjoy a party or team building retreat at the mountain. The events involve excellent meals

provided by the Meadows kitchen, instruction in smaller clinics for all levels provided by the PSIA certified instructors, and mountain guides that can help you explore the mountain, even including the terrain parks and the off-piste gated access terrain. Indoor sessions prepare and reinforce the outdoor experience with motivational speakers, coaching, and video reviews. For more information, call Barbara Parshall at 503-569-1256 x1189, or email Barb.Pressentin@skihood.com. A DVD is available to show your group what this fantastic new program is all about!

Last year Meadows had a movie contest for guests to submit their own movies of their experience at the resort. You can view some of the results on the Meadows website at www.skihood.com. It was so popular that the

When volunteering to staff the booth, you will be representing all of NWSCC's member clubs and the Council as a whole. Clubs can set up starting the day before each of the shows. We have a 10x10 Booth, with an 8' skirted table, at each show.

PACRAT INFORMATION:

BIG changes are coming to the PACRAT racing program this year! With a brand new board and lots of ideas, PACRAT has made the decision to buy its own race timing equipment - a state of the art wireless Phoenix timing system. This will be the finest timing system found

contest will take place again this year; the deadline for submissions is February 20, with the winner announced March 5.

Wearing another hat, **Barb Pressentin** reminded NWSCC that the **Huckleberry Inn** has a banquet room that is perfect for private parties. It seats up to 60 people, has great service, a full bar, and can be yours for a minimum of approximately \$500 in food and beverages plus gratuity. Open on Saturday nights and/or to accommodate private parties, we can customize a meal for your club. Skiyente, MAC, and Schnee Vogeli currently have annual club functions with custom menus — anything from Ed's famous Prime Rib Dinner or tasty Halibut, to a more casual Lasagna Buffet.

The ski shows are a lot of fun, with all the major ski resorts and retailers showing their goods - it's also a great place to purchase new equipment. Seattle now has a giant ski show and sale with all of Seattle's best ski and snowboard shops--save up to 70% on ski and snowboard gear at both shows! This simply will be the largest Ski and Snowboard Sale ever to hit Seattle! So volunteer to work the booth and you can spend some time afterwards shopping!

NWSCC's Ski Fair is scheduled for **November 8** at the Convention Center, Holiday Inn Airport (site of last year's Ski Fair), 8439 NE Columbia Blvd., Portland, OR 97220. Doors open 6:00pm. Take advantage of this early opportunity to visit with snowsport industry reps, see new fashions, and visit other club members. Discounted ski passes will be available.

Admission is FREE and this event is open to the public--so invite all your co-workers, friends & neighbors. The show highlights ski/snowboard resorts, retailers and clubs, as well as safety programs and racing programs. No host beverages available.

The SILENT AUCTION will offer some awesome ski trips and equipment. Remember that this is a free opportunity for your club to have a booth to show off what you are all about! If you are interested in booth space, volunteering for this fun kick-off event, or donating items, please contact Debbi Kor at ijustwannarun1@comcast.net or 503-314-7078.

on the mountain, and PACRAT will be trained by the manufacturers on how to properly set it up and operate our own equipment to help reduce the timing malfunctions that can be associated with ski racing. PACRAT is going to great lengths to see to it that our racers will have an enjoyable on the hill experience.

S.A. Piazza & Associates, LLC, has paid the club national member fee for PACRAT to offer NASTAR (National Standard Race) qualifications and points and awards at no extra cost this season! View NASTAR.com for more information on the benefits of NASTAR to our racers.

FWSA NEWS AND TRIPS:

FWSA is on Facebook!

FWSA had 17 very happy people who went on the Cozumel Dive Trip, and there might be a repeat trip next year.

Next year's **FWSA Convention** will be held in Industry Hills, California (Los Angeles area) June 9-12, 2011. The Pacific Palms Golf Course (where the tournament will be held) is rated number one in the nation. It is apparently closer to the Ontario airport than the Los Angeles airport.

The National Ski Council Federation and Aspen Skiing Company are sponsoring the **Snowmass Alpine Nationals** ski race January 3-9, 2011 at Snowmass. The midweek event is a race between council racers and all ski club and councils are invited to participate. Cost is \$190 per person plus lodging, lift tickets, and

NWSCC can still get you on the 2011 FWSA Ski Week in Sun Valley (January 22-29, 2011), though possibly not with our group (we had to turn back spots that were in demand by other Councils). Depending on lodging, the trip price ranges from \$895 to \$1325 per person, without transportation. If you have access to your own lodging at Sun Valley you may purchase an "amenities package" that includes registration, racing, parties, picnic, banquet, and the 5 days of lift tickets included. A \$100 deposit is still necessary to hold that reservation.

See the attached Sun Valley flier to determine what type of lodging you would like to request. There's lots of flexibility with this trip. If you don't want to use all your lift tickets, their value may be applied to other activities, including lessons, dining and entertainment, ice skating and lunch, massage, gifts, or even helicopter skiing!

Children are welcome on this trip, but there is no special

transportation. Call Stay Aspen Snowmass for reservations at 877-308-7978 or contact Bob Ellis, President of the Far West Racing Association at rellis9681@aol.com for more information.

The **2012 Ski Week** will be in **Jackson Hole, Wyoming**, January 28-February 4, 2012! A \$100 deposit made out to NWSCC will hold your spot, and is fully refundable until July of 2011.

FWSA offers one USA ski week, one European ski week (usually with pre and post-trip extensions), and a number of "adventure" trips. They have had cruises and a trip to Thailand, and are looking at possible future trips including a trip to Australia and/or New Zealand in August of 2011. For information on all FWSA International trips go to www.FWSA.org or contact the FWSA VP of International Travel, Norm Azevedo, by email fwtravel@sbcglobal.net or phone 925-944-9816.

child's pricing. Senior discount pricing will be answered soon. This is a great trip from the Northwest, as Sun Valley is within driving distance for most of us, saving the cost and hassles of air travel. However, if you wish to fly, FWSA will arrange air and shuttles. Contact Barbara Bousum with questions at travel@nwski.org.

Interested in a **chance to WIN a spot on the FWSA Sun Valley trip** valued at \$950+? NWSCC will be selling tickets, with the drawing to be held at a time to be announced. The cost is \$20 for one ticket or \$50 for three tickets. The winner will receive one fully paid trip with condominium lodging (transportation not included; an upgrade to hotel lodging would be at the winner's cost). If you have already paid a deposit at that time, your deposit will be refunded. Tickets are available through Sheri Parshall or other NWSCC officers. Only 250 tickets will be sold, so your chances are far better than the lottery!

FWSA will offer a trip to **Switzerland** (Engelberg and Interlaken) **February 26-March 7, 2011**, starting around \$1,357 without air. A Bulgaria extension March 7-13 starts around \$954, and a further extension to Bucharest and Transylvania March 13-19 is \$1,140. See fliers.

THERE IS STILL ROOM ON THIS TRIP!

Upside Down Skiing? Well, at least skiing "down under." Be a Hobbit on skis; say hello to some sheep; most importantly, visit with the most wonderful, hospitable people in almost all the world, who live in what some have called paradise. Check out the flier for the FWSA trip to **New Zealand July 24-August 5, 2011** (\$2,891 from SFO/LAX), with a Pre-Trip to **Rarotonga** July 24-27 for only \$250, and a **Sydney/Cairns** post-trip extension August 5-12 starting at \$1,099!

From the FWSA News:

CHEAP SKI MOVIE? Bode Miller, Jonny Moseley, Tanner Hall, Glen Plake, Jen Hudak, Billy Kidd, Franz Klammer, and even Warren Miller are just a few of more than 30 Olympic and X Games legends that make cameo appearances in the film officially promoted as "The worst ski movie ever made." This spoof is so offbeat that Olympic Champion Phil Mahre plays a polygamist in the Utah segment (don't worry, it's a family friendly rating). Find out how your club could win big bucks (or keep the money for yourself)! Contact heroes@CheapSkiMovie.com. For information and to see the film trailer, click here: www.cheapskimovie.com/cf/index.cfm?

CHECK THE NWSCC WEBSITE FREQUENTLY FOR THE LATEST INFORMATION!! You will find all the latest news, as well as informative articles that contain information your club can really use! As part of our P.I.E. program, Powerpoint presentations will be available for presentation at club meetings if desired.

Note: We have stopped mailing any copies of the NWSCC newsletter, as there were only 5 people who did not have email addresses ... sorry, guys!
