Hood Skibowl, Hope on the Slopes**, and of course it's **PACRAT bib pickup night** and the **PIE SALE** with goodies being auctioned off to benefit the **Oregon Food Bank** and the chance to bid on **SILENT AUCTION** items left over from **Ski Fair!** **This is our BEST meeting of the year - don't miss it!**
(No host food - full menu - great food!)

The next meetings will be on the third Wednesdays of March (highlighting the End of the Season, FW SA Convention, and Man & Woman of the Year) and June (Elections).

TIMELY ALERTS:

There will be a **PACRAT Race Training Day** this **Saturday, December 11**, at **Mt. Hood Meadows**, to be followed with video analysis and an **Après Ski Party** at the **Huckleberry Inn (Government Camp)** in the afternoon. The cost of \$25 per person (not including lift tickets) will include skiing in small groups by level, then race training with gates and video, with volunteer coaching from members of the PACRAT board and the Rat Patrol from 9:30-12:30, followed by video analysis starting at 2:00 pm at the Huckleberry Inn in Government Camp. 2011 BACHELOR BLAST TRIP!!

Attention, Clubs! NWSCC is proud to announce the details of the **2011 Bachelor Blast** trip, to be held **April 7-8-9-10-11, 2011!** The reason for the "extra" dates is that for the amazing base trip price of **\$180** you will have a choice of an extra night lodging **FREE** (either Thursday night or Sunday night) added on to make your weekend extra special.

Yes, you heard right - \$180 for this trip will get you either two or **three** nights of lodging, **two** lift tickets to Mt. Bachelor, and **one** heavy hors d'oeuvres party on Saturday night! If you want to ski a third day you can get a discounted ticket – or else you can hang around and have a day to relax and unwind, shop, or enjoy access to the fantastic Mavericks recreation facility at Sunriver. See <http://www.discover.sunriver.com/site/2670/default.aspx>

This year we are staying in Mountain View or Meadow House condos with **Discover Sunriver Vacation Rentals**, with 4-6 per condo, depending upon the layout. Trip leader Linda McGavin will work with your club to put your members into condos that fit your needs, if you wish to book a full condo.

Seniors and juniors will get extra discounts: Seniors 65-69 or Teens 13-18 can deduct \$15, and Super Seniors 70+ or Youths 6-12 can deduct \$30 from the basic trip price! Children are welcome on this trip as long as you fill a condo

with the minimum number of people who agree to lodge together – we will not assign adults into a condo with children. As an added bonus, if you fill the minimum number of spots in a condo and there are extra bunks or sleeper sofas available, we will give you an additional discount for any further children, making this an extremely affordable family vacation.

The bad news: **We only have 52 spots available** at these incredible prices – so you'll need to book early and contact trip leader Linda McGavin to work out the best condo(s) for your club members. Like other trips, individual club members can sign up directly and will be assigned lodging if they don't have a preference of roommates. So sign up early! **Payment in full is required to hold your spot.** Our volunteer treasurer is a CPA, and at the time of the trip will be buried in tax returns.

And the good news: **Your club or group can still participate** even after all of our basic trip spots are sold (or even if you would rather stay in a luxury home), because **Discover Sunriver Vacation Rentals is giving a special Bachelor Blast discount for ALL homes or condos booked directly with them for this trip** – mention Bachelor Blast if you call, or use the code "BACHELORBLAST" if you book online. Everyone still gets a FREE extra night! An amenity package is available for those booking Discover Sunriver properties, starting at \$95 for 2 lift tickets and the party on Saturday night, again with further discounts for seniors and juniors!

Check out the flier and signup sheet, and get the word out to all your club members right away!

FWSA NEWS AND TRIPS:

FWSA is on Facebook!

Next year's **FWSA Convention** will be held in Industry Hills, California (Los Angeles area) June 9-12, 2011. The Pacific Palms Golf Course (where the tournament will be held) is rated number one in the nation. It is apparently closer to the Ontario airport than the Los Angeles airport.

The National Ski Council Federation and Aspen Skiing Company are sponsoring the **Snowmass Alpine Nationals** ski race January 3-9, 2011 at Snowmass. The midweek event is a race between council racers and all ski club and councils are invited to participate. Cost is \$190 per person plus lodging, lift tickets, and transportation. Call Stay Aspen Snowmass for reservations at 877-308-7978 or contact Bob Ellis, President of the Far West Racing Association at rellis9681@aol.com for more information.

The **2012 Ski Week** will be in **Jackson Hole, Wyoming**, January 28-February 4, 2012! A \$100 deposit made out to NWSCC will hold your spot, and is fully refundable until July of 2011.

FWSA offers one USA ski week, one European ski week (usually with pre and post-trip extensions), and a number of "adventure" trips. They have had cruises and a trip to Thailand, and are looking at possible future trips including a trip to Australia and/or New Zealand in August of 2011. For information on all FWSA International trips go to www.FWSA.org or contact the FWSA VP of International Travel, Norm Azevedo, by email fwsatravel@sbcglobal.net or phone 925-944-9816.

FWSA will offer a trip to **Switzerland** (Engelberg and Interlaken) **February 26-March 7, 2011**, starting around \$1,357 without air. A Bulgaria extension March 7-13 starts around \$954, and a further extension to Bucharest and Transylvania March 13-19 is \$1,140. See fliers. **THERE IS STILL ROOM ON THIS TRIP!**

Upside Down Skiing? Well, at least skiing "down under." Be a Hobbit on skis; say hello to some sheep; most importantly, visit with the most wonderful, hospitable people in almost all the world, who live in what some have called paradise. Check out the flier for the FWSA trip to **New Zealand July 24-August 5, 2011** (\$2,891 from SFO/LAX), with a Pre-Trip to **Rarotonga** July 24-27 for only \$250, and a **Sydney/Cairns** post-trip extension August 5-12 starting at \$1,099!

WOULD YOUR CLUB LIKE TO EARN A COMP ON ANY FWSA SKI TRIP? All you need to do is to bring 30 people, and the comp is yours to do with as you please. This would also give you more input into future ski weeks that FWSA plans.

FWSA SCHOLARSHIPS AWARDED TO NORTHWEST JUNIOR RACERS!! By Dick Shawkey, FWSA Scholarship Committee

Five Pacific Northwest Division athletes have been honored for their alpine ski racing performance and potential. The Far West Ski Association (FWSA) has awarded grants of \$500 to \$1,000 to be used to cover training and competition fees during the 2010-2011 ski racing season. These athletes' hard work and dedication extends to their academics as well, where they share an average GPA of over 3.95.

Linnea Baysinger (\$500), age 15, trains with the Team Alpental Snoqualmie Ski Team. Linnea finished the 2009-2010 season nationally ranked as 1st in Super G and 4th in Giant Slalom. In addition, she achieved a top 25

ranking in Slalom. Last season, she reached the podium at 10 events, including five 1st place finishes.

Haley Hanseler (\$750), age 16, of Longview, WA., is a member of the Mt. Hood Ski Team. Haley's hard work and dedication paid solid dividends during the 2009-2010 season, with her achieving national ranking in the top 25 for four alpine disciplines: 3rd in Downhill, 2nd in Super G, 17th in Giant Slalom, and 22nd in Slalom. Her season culminated with a trip to the J-2 Nationals in Sugarloaf, Maine, and a top ten finish in Super G at the Western Regionals at Mission Ridge, WA. In 2010, Heley finished eight out of ten Super G races in the top ten. She is currently training to compete in the NORAMs in Lake Louise, Alberta (6-10 December). Haley is sponsored by the Mountain High Snowsports Club of Portland, OR, a FWSA Athletic Scholarship partner.

Nahanni Lukes (\$500), age 14, is a member of the Mt. Ashland Ski Team. During the 2009-2010 season, Nahanni distinguished herself by finishing first in her year group in Slalom for the Pacific Northwest Division and eleventh nationally. In addition, she had two strong finishes in Super G at the Mt. Hood J-3 Qualifiers in February 2010.

Jordan Schweitzer (\$1,000), age 16, is a member of the Mt. Bachelor Ski Team. She finished the 2009-2010 season nationally ranked as 1st in Downhill, 9th in Super G, and 16th in Giant Slalom. Winning the J-2 women's Downhill championship at Sugarloaf, ME, last March capped a very successful ski season. She is currently training to compete in the NORAMs at Lake Louise, Alberta, (6-10 December). Jordan is also the 2010 recipient of the Skiyente Ski Club's Erin Nicole Award (\$1,050) for outstanding athletic achievement.

Cai Yamamoto (\$1000), age 16, trains with the Mission Ridge Ski Team. During the 2009-2010 season, Cai distinguished himself by earning national ranking as 2nd in Super G and top 25 in all four alpine disciplines.

The Slip, Slop, Slide, and Slither program featuring informative brochures, decals, and a sunscreen partner is being developed and administered by Fran Long, Trustee and Youth & Family Involvement Chair. The program will be presented at the major ski shows in LA, San Jose, San Diego and San Francisco this fall, distributing informational brochures, decals, and sunscreen samples. In addition, FWSA will distribute the materials at Mammoth Mountain and Lake Tahoe area during school holiday periods in order to reach more children and their families.

· **March 17, 2011 is the deadline for all history-related submittals – Western Ski Heritage prize, Club/council History Recognition, Roll of Remembrance, nominations**

· Far West Ski Foundation will soon launch new websites: <http://FWSF.net> and <http://FarWestSkiFoundation.org>

· **Vail Resorts acquires Northstar** — Stock purchase costs \$63 million. The acquisition includes all mountain operations of Northstar, all commercial space in the base village, and Northstar Property Management. Management

and ownership of the Ritz-Carlton Lake Tahoe, which opened in 2009, will remain unchanged.

· **Whistler/Blackcomb to Go Public** — Want to own a share of the biggest ski area in North America? Now you can. Starting as early as next month Whistler Blackcomb will be a publicly traded company on the Vancouver Stock Exchange, which means that you could own a share. In the initial public offering, the newly formed Whistler Blackcomb Holdings Inc. is predicted to raise \$300 million, part of which will go towards paying off Intrawest. Shares are said to start at between \$14 and \$15. According to a Reuters report, once the company goes public it will be jointly owned by public shareholders and Intrawest. Ten Canadian investment banks are backing the sale. Earlier this summer, there were reports of Intrawest shopping Whistler to a Russian investor. The Vancouver Sun reported that Whistler has been in debt since Fortress, Intrawest's parent company, acquired it in 2006. "Visitor aversion" during the Olympics cost the resort a reported \$6.2 million Canadian, but they expect skier visits to come back, and even increase after the international exposure the games created.

· **Eagle Point: Utah's Newest Resort** — Dormant for eight years, now the former sleepy Elk Meadows Ski Resort in southern Utah is prepping to get back in the game, as Eagle Point. As Utah's 14th ski resort, the ski hill has a new name, a new plan, new ownership and, most importantly, still gets plenty of snow. Tucked into the Tushar Mountains, the third highest range in Utah, the resort is slated to open on December 15th, weather permitting. With a base at 9,100', it offers 1,300' of vertical, 400" of annual snowfall, and six fixed-grip chairlifts.

· **Daron Rahlves, Shane McConkey Elected to U.S. Ski and Snowboard Hall of Fame** — Ishpeming, Mich.— World Champion ski racer Daron Rahlves of Truckee, the late Shane McConkey of Squaw Valley, and iconic Heavenly skiing legend Glen Plake are among a roster of six skiers and builders named as inductees to the U.S. Ski and Snowboard Hall of Fame's Class of 2010. They will be joined by Paralympic medalist and World Champion, Muffy Davis (Salt Lake City), Bobby Cochran (Surry, N.H.), and noted sports builder and Sun Valley owner Earl Holding (Salt Lake City). The class will be inducted on April 2, 2011 at Sun Valley, Idaho.

· **Advice for the 50-Something Shredders** Not every skier is a pre-teen jibster with joints like Gumby. If you're more towards middle age than 20-something, check out some tips to help you stay strong on the slopes from Dr. Tom Vangsness, skier and Chief of Sports Medicine at the Keck School of Medicine at University of Southern California. What can older skiers do to make sure that they

don't injure themselves skiing? First, skiing is a sport that demands physical fitness and joint flexibility. If you're sedentary and don't exercise, then don't expect to simply walk out of your office and onto the slopes, at least not without dramatically increasing your risk to injury. To ski safely—and I would add enjoyably—the body must be in shape.

· **Pre-season Training for six weeks with Ted Ligety**, Olympic gold medalist and two-time World Cup giant slalom champ. In the third in Ted Ligety's pre-season training series, Ted and his trainer, Alex Moore, show us how to do split squats, which work the quads, glutes and hamstrings. Moore says this exercise builds strength across the hips and thighs and, because it is unilateral, it exposes weakness if you have any. To make them easier, do them without any weight. To increase the difficulty, elevate your rear leg. Having the rear foot elevated also increases the stretch in the anterior (front) pelvis thus aiding mobility. For more information about Ligety, Moore, and the rest of the U.S. Ski Team check out www.uskiteam.com.

See the rest of Ted's workouts. Click here (<http://www.5min.com/Video/How-to-Do-a-Split-Squat-166408531>) to see a video of how to do split squats.

· **Forms and Guidelines** Developed by ski clubs and ski industry — Here you can find an RFP (request for proposal) form developed by federation members along with industry. In addition there are sample by-laws, fam (familiarization trip) guidelines, budget guidelines, and job descriptions for various club offices. Attached on the NWSCC newsletter web page are a Standardized Request for Proposal and Fam Trip Guidelines. Also available from NSCF is a powerpoint Technology and Marketing Workshop Presentation.

CHECK THE NWSCC WEBSITE FREQUENTLY FOR THE LATEST INFORMATION!! You will find all the latest news, as well as informative articles that contain information your club can really use! **As part of our P.I.E. program, Powerpoint presentations will be available for presentation at club meetings if desired.**

Note: We have stopped mailing any copies of the NWSCC newsletter, as there were only 5 people who did not have email addresses ... sorry, guys!
