SKI NOTES FROM THE PREZ ...

I am pleased to let you know that the **NWSCC Man & Woman of The Year** have been selected. Proudly representing us this year are **Dale Parshall from Schnee Vogeli Ski Club** and **Colleen Walter from Skiyente Ski Club**. Congratulations to both Dale and Colleen for being chosen by their respective clubs to compete at the Council level competition. They will now go on to the FWSA level and compete at the convention in June. Best of luck to our Council Man & Woman of The Year!!

We're looking for a few good board members!! That could be YOU!! Elections for NWSCC are just around the corner - at the June 21st Council meeting. Contact Sheri Parshall if you are interested in running for a board position. I hope to see many of you at the FWSA Convention in Chandler, Arizona. What a great way to network with ski clubs in Far West Ski Association, meet ski celebrities, bid on great ski trip packages at the silent auction, and enjoy fabulous sunny/hot weather!! Early registration ends May 15th. Thanks to all the club members who volunteered to judge websites and newsletters for the convention.

Don't forget you can still ski Meadows on the weekends - they are staying open until June 4 IF they get 4,000 people per weekend. Of course Timberline is open all summer! Ready for golf?? Be sure to join us at the NWSCC "Clubs 4 Play" on July 30th.

Mary Olhausen, President

GUEST SPEAKER, APRIL MEETING:

Our **GUEST SPEAKER** at the April Council meeting was **Paul Sunderland**, who is the local representative for **Schweitzer Ski Area** located outside of Sandpoint, Idaho. For the past year Schweitzer has had a new owner who is REALLY into skiing, and he is making BIG improvements. This year 400 more acres were opened to skiing with a new T-bar; there is a new lodging facility, the White Pine Condo Hotel; they are remodeling the Lakeview Day Lodge, expanding restaurants, and looking at future development in the Blue Basin area. Snowcat skiing has been offered on the "backside" of Schweitzer and Blue Mountain, using a Sherpa Cat snowcat which is fast and gives more runs for customers. In summer there are chairlift rides, hiking, and even mountain biking downhill to Priest Lake, with a sag wagon to pick up the riders and bring them back. Sandpoint is building multi-million dollar new resorts, including Hidden Lakes Golf Resort, so this is a year round area. If your club hasn't been to Schweitzer yet, it's a great time to plan a trip. Paul mentioned that it is also a great place to have a base for side day trips to Silver Mountain (Idaho) and Red Mountain (Canada).

NWSCC ELECTIONS!!!

NWSCC is taking names of people who want to run for office in this great organization we have. Elections will be held at the June 21 NWSCC meeting, and we encourage all clubs to have their representatives available at the meeting to VOTE! Nominations will be accepted for President, Vice President, Secretary, and Treasurer, as well as two Board of Directors positions. The Board positions are "open" and people don't run for a specific director position. Following the election the President, with the assistance of the elected Board members, will assign duties to the elected directors and appoint persons to the remaining director positions. If you are interested in running please contact Sheri Parshall at cougskier@aol.com or 503-245-3782.

Forms are available for downloading from the convention website as described above. **May 15, 2006 is the deadline for early registration at the lowest price.** You can register individually or all together as a club. Club Presidents should complete the FWSA Credential Form (found on the website) so as to advise FWSA of the number of voting delegates from each club who will attend the Convention.

Awards presented at the Convention will include the Western Ski Heritage Award and FWSA Safety Person of the Year awards where the winners receive A WEEK for two at Steamboat, or Aspen, respectively. Details are on the FWSA website, and while you may be too late for this year's deadline (May 15), this is something to think about all year long.

MOUNTAIN TRAVEL SYMPOSIUM, APRIL 2006

By Debbi Kor-Lew, NWSCC Travel Director

This year's Mountain Travel Symposium was held at Squaw Valley Ski Resort. MTS is the largest gathering of ski club, ski club council, vacation resort and hotel representatives this side of the Mississippi. It is a chance to network, and to plan that one trip that you've always wanted to plan for your club.

It's the time when the ski resorts come to us and say "what can we do to get your group to our area?"

On Wednesday, April 5th, I left Portland to attend this fantastic Symposium. We had a meet and greet that evening with all of our industry friends, and prepared ourselves for all that we would be experiencing over the next couple days. Thursday was filled with a hosted breakfast by East-West Resorts, along with a presentation of their many resorts. A couple of them really caught my eye, in the hopes of planning a council trip one of these days to Panorama, or another to Whistler/Blackcomb. This was followed by a great day of skiing, and an incredible après ski party held throughout Squaw Valley Village in 5 of their pubs and restaurants.

Friday morning, breakfast was hosted by Vail Resorts, with a presentation of their many properties, and then it was time to get to work. I met with approximately 35 different representatives, and received a boatload of information, much of which I have already passed on to our club reps who have trips planned for next season.

This is a wonderful opportunity to meet the folks who can get us to the destinations we want to go to, and doing the things we want to do on the trips we go on each ski season. I'm looking forward to MTS 2007, in Whistler, BC.

You may contact me at 503-682-1563 or ijustwannarun@aol.com.

2006 SKI OREGON CHALLENGE

Three people have submitted entries in the 2006 Ski Oregon Challenge. A snowboarder, David Schor, is the first to complete the Challenge at all 11 ski areas in Oregon. Two people tied for second place, Emilio Trampuz and McCoy Smith both of Mountain High Snowsport Club. McCoy skied all 11 ski areas on telemark skis. Northwest Council issued a challenge to the public to ski or board 9 out of 11 ski resorts in Oregon during the 2005-06 ski season and they would be entered in a drawing to win equipment, services, 2006-07 lift tickets or a ten-time punch pass at Mt. Hood Meadows. Go to the Council website at www.nwskiers.org for complete details and to read about the experiences of these three participants.

BARBADOS, ANYONE? Debbi Kor-Lew, Director of Marketing for FWSA, has arranged for a special raffle - the prize, donated by the **Barbados Tourism Authority**, will be a **trip for 2 to Barbados, including airfare and 4 nights' all-inclusive lodging (approximate value \$4,000!)**. Tickets are being sold for \$5 each, or 6 for \$25, with 50¢ per ticket going back to your club. Proceeds will benefit the FWSA athletic scholarship program for junior racers. Your club president or representative should have tickets, or contact Debbi Kor-Lew at ijustwannarun@aol.com or 503-682-1563 for information, or come to a Council meeting.

SKI CLUB TRIPS / EVENTS OPEN TO ALL MEMBERS OF NWSCC AND FWSA CLUBS:

The King and Queen Rat awards go to the racers who participate in at least 4 races and show the most consistent improvement over the year. This year the King Rat is Ron Williams and the Queen Rat is Tamela Cantor. For full details on all racer standings see the PACRAT website.

The PACRAT board is working towards standardizing specific weekend dates for races, but of course the ultimate dates are dependent upon the ski areas' availability to host the races.

Contact Jack Folliard (jfolliard@comcast.net) or 503-975-4488 (cell) for information, or check the PACRAT website at WWW.PACRATS.ORG.

The **Mt. Hood Cultural Center and Museum** has really BIG news - the Clackamas County Board of Commissioners voted to take over the mortgage, and to lease the property to the Museum for \$1/year. This frees the museum supporters to focus their fundraising activities on a future elevator (for ADA access) and a store. There is some "matching" money available, so if you make a donation to the Museum now your money will go TWICE as far! Check out their website at www.mthoodmuseum.org. And speaking of stores, new stores and markets have opened in Government Camp - you MUST go up to the mountain and see all the changes!

SUMMER ACTIVITIES: The annual **Clubs-4-Play Golf Tournament** has been scheduled for **July 30, 2006**, at the Oregon City Golf Course at Lone Oak (same as last year). Contact Marilyn Sigler at marski@teleport.com for more information. Mark your calendar for this fun event!

NWSCC TRAVEL:

Please contact our Director of Travel, Debbi Kor-Lew, at ijustwannarun@aol.com or 503-682-1563, regarding where your club plans to or would like to travel next year; perhaps we can assist you in getting more than one club together for group discounts, etc.

2010 WINTER OLYMPICS, ANYONE?

It's not too early to start thinking about making plans to go to the closest arena the Winter Olympics have ever come to Oregon and Washington: Vancouver, BC, and Whistler/Blackcomb! By coordinating all our efforts we might be able to come up with some way to get our club members up there.

If anyone is interested in working on getting this going, please contact the Council so we can report on all the latest information. You might also consider volunteering to work at the Olympics - some of our club members have done that in the past.
