Round-trip ground transportation with FWSA booked air is an additional \$85 per person from Calgary Airport and \$45 one way. Deadline to reserve your space with NWSCC trip leaders is looming in August.

After October 25, name changes will incur a change fee of \$150.00 (i.e. if participant cancels and is replaced by another). A minimum of 10 seats per flight is required for group pricing. If only 9 seats are sold from a block of 10 or more, we lose the group rate and must re-book using individual names. Check airlines' websites for current baggage costs. Driver tips for good service on shuttles are appreciated.

These airline prices include current airline fuel surcharges; however, additional airline fuel surcharges could be added before actual ticketing. Airline prices are guaranteed once ticketed.

Own Air and FWSA Shuttles Guidelines

Own air ground transportation is \$100.00 round trip or \$55 one way, payable in advance. The transfer fee also includes national park entry and tourism fees.

- FWSA ground transportation is available for those booking their own air, provided that arrival and departure times closely coincide with FWSA air arrival and departure times, and space is available on FWSA charter buses.
- Individuals who book their own air should arrive at Calgary Airport no later than 2:00 PM on February 3rd, 2018 and should not depart earlier than 12:00 PM on February 10, 2018. *Times are based on the current FWSA blocked air.* Bus schedules may be affected as participants book their own air. Recommended arrival and departure times are subject to change as flight information is provided.
- Participants booking own air must provide flight information, including the flight schedule and flight locator number or flight number to trip leaders. Participants are responsible to provide correct information and updates for any airline schedule changes.
- Neither NWSCC nor FWSA is responsible for missed ground transportation connections due to flight delays, missed connections, or inaccurate flight information.

All pricing shown in US dollars.
