

## Help Build Strong Kids and a Strong Community

Join Eau Claire neighbours and friends at the **Cycle for Strong Kids** and help support the YMCA Strong Kids fundraising campaign. Strong Kids directly helps children, teens and young adults in our community. Last year, through the generosity of over 58,000 donors across Canada, \$11.4M was raised through the YMCA Strong Kids Campaign.

As an event participant, you will have access to an online fundraising page to help collect donations. The ECCA team will then do a 45-minute fundraising spin on **Monday March 9 at 6:00 PM** in the lobby of the Eau Claire YMCA. We'll be on comfortable Keiser bikes as we try to out-do other teams for most points. Burn calories while you help raise money for a great cause!

To join our team or make a donation, go to [www.ymcastrongkids.ca](http://www.ymcastrongkids.ca) and look for team *Eau Claire Community Association* under the 'Find a Fundraiser' section.
