

GRESHAM CENTRE

ST ANNE & ST AGNES CHURCH

Film Crews at the Gresham Centre

We have lots of experience helping film companies here at the Gresham Centre. With a total capacity of 220 we can seat 150 comfortably, with room for catering, makeup and costumes.

The main space is approx 11m x 11m square, with full fast wifi along with two further smaller spaces ideal for AD/location staff to work in.

We have 120 chairs, 12 pews (at the moment - soon to be replaced which can be set up opposite one another with tables down the middle for SA/crowd holding) along with 10 tables. There are lots of sockets for bain maries and three w.c.s which can be used by film staff but not SA's/crowd, you will need to bring in additional facilities for them, although they can be used as child toilets if required and numbers are small enough.

Our charity benefits hugely from such hires - your being at the Gresham will allow us to put our musical outreach ensembles into disadvantaged schools in Tower Hamlets, Hackney and Newham, so thank you very much for think of us!

For more information contact our Centre Director, Jan on 07711979291 email GreshamCentre@gmail.com
