Hey and thanks for downloading my "Are you ready?" flowchart. It's a very quick flowchart to test your readiness to leave your boring 9-5 job and set yourself up for a world of autonomy, freedom and travel (if travel is something you are passionate about). It will also give you a quick brief to see if you are up for reading my 12-page e-book with an extensive quiz/checklist on leaving the 9-5. The e-book is comprehensive and leaves you inspired to live and breathe a location independent lifestyle.
