Teachers Still Needed

Are you a retired elementary school teacher looking for a new challenge in a bilingual school? Would you be comfortable living in a small isolated mountain village in Honduras, eating the same breakfast and lunch food as the students, and being paid little or nothing for the blessing? Are you a self-starter who would be able to stick to a specified tight schedule using the A BEKA English/Spanish curriculum? Are you still thrilled by the smile of a child who "gets it?" Can you stand the hot weather? Would you like to try for awhile before making a longer term commitment? If these criteria describe you, contact Suyapa Perdomo [011-504-2625-1300] to find out where and when you could join the team.

Cafeteria Dedication

Generous donations through Sturgeon Valley Baptist Church in St. Albert, Alberta, Canada enabled completion and dedication of a cafeteria at White Dove School earlier in this school year. Now the students have a sheltered place to eat the food provided for them as part of the White Dove program.

Money for the school dining facility was donated in honor of Bernie Arlinghous. The following information provided by his son provides a way for us to remember him and acknowledge the donation.

Teachers Needed

If you believe something good is going on in White Dove Santa Clara, and if you would like to provide financial support to help it continue, here is how you can do that:

1. Make out a check to the Honduras Agape Foundation.
2. On your check, designate the donation as "Support for White Dove Santa Clara" or a more specific purpose
3. Mail it to this address:
Friends of White Dove
P.O. Box 5483
Aiken, SC 29804

Every penny of your donation will be forwarded to White Dove school.

White Dove isn't a specific mission initiative of the Honduras Agape Foundation, but the foundation has the infrastructure in place to facilitate financial transfers to Honduras for mission purposes, and has graciously agreed to allow us to benefit from that convenience.

Bernie Arlinghaus was born in Brockdorf, Germany, March 16th, 1938 to parents Josef and Maria. He was the second of seven children. At age 19, Bernie immigrated to Canada where he became an accomplished carpenter. Bernie knew God and loved God, and he used his talents to serve others. Bernie and his wife Pam raised three children. He was adored by his five grandchildren who lovingly called him "Opa". At his core, Bernie was fully invested in his family and their well-being. Bernie passed away in November 2012. Bernie loved building, eating, and gathering with family, so he would be honored to know that this hall was dedicated in his memory.
