2015 White Dove Student Body

We celebrate the grand opening of another year with new ideas, new students, new teachers, and the Grace of the Lord over this little Jerusalem that is White Dove School in Santa Clara.

This year we begin with 75 students overall. Of those, 32 still need supplemental financial help to attend. Every year brings new challenges as well as enjoyment from each of the students. It is hard work, but the reward is overwhelming when you see the students communicating in English among themselves as well as with missionaries.

If you believe something good is going on in Santa Clara White Dove, and if you would like to provide financial support to help it continue, contact Allen Blancett or send a check to Honduras Agape Foundation, P.O. Box 6315, Aiken, SC 29804-6315. On your check, designate the donation as "Support for White Dove Santa Clara" and every cent will be forwarded to the school.

We Have Teachers!

Rex Baladjay and his wife Lina are missionaries from the Philippines. Rex, who has a professional diploma as a secondary school teacher, has been with us since last September. He is teaching 6th Grade. Lina, who has a degree in social work and a lot of experience with children, arrived early last month. She is teaching 4th grade.

Another new teacher this year is Regina Just. Regina is from Camden, Indiana and has a degree in teaching. This is Regina's first time out of the U.S.A. She doesn't speak Spanish, but is communicating well with the students, who receive the added benefit of learning English from a native. Regina is teaching 3rd Grade.

Here are other teachers at White Dove this year. As they have responded to the call, it's clear that God is good all the time, and all the time God is good.
