

Summer/Autumn Programme 2017

Nottingham Gets 2 Work complements the Nottingham Works programme and supports 16-29 year old Nottingham City residents to travel sustainably to employment, education and training opportunities. This project is funded by the European Social Fund and Nottingham City Council and is supported under the European Social Fund Youth Employment Initiative.

Nottingham Gets 2 Work offers free travel passes, reconditioned bikes with accessories, bike maintenance sessions, build-a-bike courses, cycle training, personal journey planning and journey buddying. Here's what's on over the summer alongside our regular drop-in sessions across the city. See the back page for full details.

Bike Maintenance Sessions

Bring your bike along to learn the basics of fixing a puncture, adjusting brakes and gears.

Dr Bike

Pop along to one of our Dr Bike sessions to get your bike serviced for FREE by one of our trained cycle mechanics – simple repairs only.
