

FIRE YOURSELF!
WORKSHEET
Other Perspectives

Part 1: Best Experiences

What do you see as my skills and talents? What am I good at?

What is your view of my experience?

What knowledge do you believe I possess?

What do you see as my strengths?

What areas do I need to pay attention to or develop?

What seems to bring me joy or happiness?

What do you think is the fun in my life?

What would you say is important to me? What do I value?

FIRE YOURSELF!
WORKSHEET
Other Perspectives

Part 1: Best Experiences

What do you see as my value to my job, my organization, my industry, my friends and family, and the world at large?

How would you describe my reputation? How do others talk about me?

Do you believe my experience, knowledge, and skills are being fully utilized and appreciated?

What is your view of the true value in the workplace of my experience, knowledge, and skills? (Am I marking myself to market)?

What is your view of my current financial situation?

What do you think is best about my current situation?

What do you think is worst about my current situation?
