### **About the beer...**

Free spirited **Panty Peeler** pours rambunctiously into your glass, releasing its engaging aroma. Curacao (bitter) orange peel and coriander create a beautiful yet bolder tripel by infusing color, citrus and spice. Belgian yeast adds playful character. Bottle conditioning assures a perfectly heady experience.

Originally named Extreme Polar White Bier, this beer was nicknamed "Panty Peeler" then translated to French: Epluche-culotte. We're back to calling it Panty Peeler—kicking up the orange peel and coriander to reflect its original [and bolder] design.

Pour Panty Peeler Tripel into a goblet, allowing its aroma to engage your senses. This lovely ale accompanies many cuisines, including Thai, Indian, Mediterranean and American Southwest. Bottoms up!
