About the beer...

If you're looking for an ordinary wheat beer, you're barking up the wrong tree. Designed to take the edge off the hot dog days of summer, Hop Dog Double Wheat IPA offers both quenching wheat character and a big hop bite.

After a long winter, it's time to take the party outside. Hop Dog Double Wheat IPA compliments quintessential summer fare: grilled fish, chicken, pork, shrimp and veggies. And pair it with desserts that incorporate citrus—like, key lime pie or lemon curd cheesecake. This beer works with all that is summer.

This seasonal double wheat IPA packs a punch that won't stray, which means you need to find a sweet spot and stay. Sure...you may feel like chasing tail and howling at the moon but keep your cool. Find some shade, dog. And just relax.

Unleash Summer.
