About the beer...

Designed as a winter version of year-round favorite Sockeye Red IPA, CoHoHo Imperial IPA is an incredible American Double India Pale Ale, which offers much bigger, bolder and rounder flavors. An incredibly generous malt bill creates a plump base to which three types of hops are added, providing aroma to entice the senses and bitterness to balance the palate. Bonus ingredients—like brown sugar, honey and juniper berries—boost complexity and holiday spirit.

As the days grow shorter, we welcome the return of CoHoHo Imperial IPA to our gatherings...and glasses, celebrating life that is abundant in all that matters.

Enjoy CoHoHo Imperial IPA with all of your favorite festivities, including quiet moments at the end of very bustling days.

**Make Merry
...all Winter Long.**
