INDULGE YOUR DEMONS.

Pride is the excessive belief of one's own abilities or achievements.

Pride Belgian-style Strong Pale Ale boasts a glorious deep gold color and an amazing yet arrogant head. Plentiful pale malt creates beautiful, agile body. Assertive hops and Belgian yeast achieve charismatic floral and spice notes in aroma and flavor. But Pride's predominant and unique character comes from its exposure to Brettanomyces in French oak Chardonnay barrels. At once refreshing yet earthy and musty, Pride is unlike most beers on earth. And it's bitter, lingering finish demands another sip.
