INDULGE YOUR DEMONS.

Sloth is the avoidance of physical or spiritual work.

Sloth Belgian-style Imperial Stout is deliberately dark as hell. The pour is slow and sluggish. Its head is menacing, becoming torn and tattered Belgian lace on the sides of the glass as you cautiously consume this brew—sip by insidious sip.

The aroma is sweet from heavy malt and big alcohol with notes of vanilla, coconut and whiskey from the oak. The depth & breadth of roasted malt flavors loiters on the palate while the robust finish lingers, well, *forever*.
