Guidelines for Donations of Beer and Goodwill

Midnight Sun Brewing Company takes pride in partnering with local non-profit organizations, especially those supporting the arts, environment and social services that help strengthen our communities. MSBC is happy to donate beer, gear and/or gift certificates to qualified organizations and causes. MSBC does not normally make cash donations.

Due to the number and frequency of requests for donations, we have developed donation guidelines for qualified organizations. The qualified organization must:

- Be a public organization with a 501(c)(3) tax-exempt status
- Be located in an area in which our products are distributed and sold
- Not be affiliated with specific political candidates or groups
- Accept full responsibility for complying with local, state and federal regulations, especially those related to the providing, serving, and selling of alcoholic beverages

Each qualified organization can receive no more than one donation per 12-month calendar year.

Email donation requests to: donations@midnightsunbrewing.com

OR

Mail donation requests to: **Midnight Sun Brewing Company**
8111 Dimond Hook Drive
Anchorage, AK 99507

Submit all requests on organizational letterhead and include at least the following information:

- Date, time and location of event
- Description of event
- Approximate number of attendees/participants
- Beneficiary of the event, including TAX ID NUMBER
- Description of any and all event recognition that MSBC will receive for this donation [programs, posters, banners, web, other media]
- Contact information [phone, email] for the person coordinating this donation

All requests must be received at least 30 days before the date of the event.

Approval of donation requests will be confirmed by phone or email. Due to the number of donation requests, we can only honor a budgeted dollar amount of donations each month.

Amount of actual donation is based on type and purpose of event. Additional beer may be purchased at our very fair "festival" rate.

All donations must be picked up at Midnight Sun Brewing Company during regular business hours. All pick-ups must be pre-arranged. No exceptions.
