

PROJECT PROFILE

Nebraska Furniture Mart - The Colony, Texas | Rmax Thermasheath®-3

Project Description

Nebraska Furniture Mart is the largest home furnishing store in North America selling furniture, flooring, appliances and electronics. There are three other locations with The Colony, Texas store being the largest. Owned by Warren Buffet's Berkshire Hathaway Inc., the \$400 million store has two levels with 560,000 square feet of retail space (about 9 football fields). The warehouse/distribution space is 1,300,000 square feet (about 22 football fields), it holds 500,000 items and has more than 100 bays for pick up/delivery.

Rmax Thermasheath®-3

Thermasheath®-3 is manufactured with reinforced aluminum foil facers on each side, offering a cost effective way to increase a building's thermal efficiency.

Why Rmax Thermasheath®-3

Thermasheath®-3 is ENERGY STAR approved and one of the thinnest profile insulations available in today's market.

This lightweight and easy to install insulation delivers optimal flexibility in design and efficiency.
