G.R. # 66
A Resolution To Support the Inclusion of Graduate Student Dependents Enrolled in Clemson University’s Student Health Insurance Plan to the Student Bill

Whereas, currently the insurance bills of students enrolled in student insurance at Clemson University gets added to the students’ semester bill and graduate assistants has the ability to enroll in a monthly payment plan for the student bill; and

Whereas, the insurance bills of the dependents who are on the same student insurance plan has to pay the whole amount together; and

Whereas, the enrollment of students and their dependents are performed in the same website;

Therefore, be it resolved by the Clemson University Graduate Student Senate assembled,

That the insurance fees of the dependents also be added to the students semester bill and enable it to be a part of Graduate student payment plan.
