G.B. 305
A Bill to Recognize New Graduate Student Organizations

Whereas, the Organizations Committee has evaluated the recognition status of all Graduate Student Organizations and determined that the following organizations have met conditions for recognition or derecognition.

Therefore, be it enacted by the Clemson University Graduate Student Senate assembled,

That the following organizations are recognized as Graduate Student Organizations:

- Building Understanding for Interfaith Leadership Dialogue (BUILD)
- Clemson University Student Chapter of the South Carolina American Planning Association
- The Clemson Open Studio
- Genetics and Biochemistry Graduate Student Association (G&B GSA)
- Environmental Toxicology Graduate Group Association
