

CARLOS DELGADO

Visual Artist

www.artcarlosdelgado.com

Carlos Delgado is a Colombian - Canadian contemporary visual artist, with indigenous roots from Colombia and more than 10 years of artistic trajectory formed in Canada. His abstract compositions don't represent the image of something or someone specific; but instead they are the manifestation of the artists experiences, memories, emotions and his own interpretation of the surroundings. These abstract creations have gained huge appreciation from galleries, collectors and other artists all over the world.
