Start an ASAHP Student Assembly Chapter at your University

Why a chapter?
- Student leadership
- Interprofessional education
- Building connections and experience for future allied health leaders
- Networking with students of other professions in chapters across the country
- Opportunities to attend exclusive virtual job fairs

What do we provide?
- Operational guidelines that enable your student leaders to create and lead a successful IPE program
- Support for chapter initiation and growth
- A detailed curriculum for chapters to follow to ensure an effective and streamlined educational experience for students
- Technological resources to link students with their peers across the country on a regular basis

What is expected?
Each Semester, a Chapter is expected to:
- Hold at least 2 chapter meetings
- Organize at least 1 social gathering/service project
- Participate in at least 1 Broadcast session

Cost?
- $500 annual fee for University membership in the ASAHP Student Assembly
