

Community Rewards Programs

Randalls Good Neighbor Program

When you link the Kingwood Fillies Booster Club to your Randalls Remarkable card, Randalls will donate 1% of the purchase price of your groceries to our booster club!

To link your existing card, please complete the attached application and return it to Jodie Felder by emailing it to treasurer@kingwoodfillies.net , or drop it off in the box at her front door (1422 Sheltering Oaks Lane). Be sure to:

- Fill in your account number (not your phone number – if you don't know your account number call 1-877-723-3929).
- List 3989 as the charity to be added to your card.
- List the charities you'd like to have deleted from your card. You must know the account numbers of the charities you'd like to have removed. If you don't know their numbers, or whether you have anything currently linked, please call 1-888-334-8240 and they'll tell you. You may link up to three charities, and the money will be divided between them, but we'd like to be the only ones linked to your card!

Kroger Community Rewards

Enroll your Kroger card online and we'll receive a percentage of your Kroger purchases. This is an annual program that runs from August 1 to July 31, so you'll need to enroll each year.

To enroll:

- Go to www.kroger.com/community-rewards.
- Sign in if you already have a Kroger.com account. Otherwise, create an account. You may enter either your Kroger card number or an alternate ID (like your phone number).
- After you've created your account, log in and go to "My Account".
- Scroll to the bottom of the page and click on "Community Rewards" and then "Enroll".
- Select the Kingwood Fillies Booster Club (Organization #83268).

Flowers of Kingwood

Just select us as the "Helping Hands" organization when you purchase flowers online or in the store, and Flowers of Kingwood will donate 5% of your purchases to us.
