# INTERNATIONAL STUDY PROGRAM

## HONOLULU WALDORF SCHOOL

Honolulu Waldorf School is a co-educational, non-sectarian, independent school serving 300 students from Early Childhood through Grade 12.

The lower school is home to our Early Childhood Programs through Grade 8 and rests under a canopy of monkey pod trees on a beautiful 2.5 acre campus in Niu Valley.

The high school is on an ocean-front property facing the blue Pacific Ocean and Maunalua Bay in nearby Aina Haina. Student life is rich with opportunities to participate in numerous clubs, sports and extracurricular activities.

## INTERNATIONAL STUDY PROGRAM

The Honolulu Waldorf School 'ohana, comprised of families from different countries, cultures and languages reflects the diversity of the local community. HWS is committed to fostering a sense of global consciousness and connectedness in all students. In addition to studying the world's countries and cultures, the community celebrates many cultural festivals together.

We welcome students from around the world and want to foster global

connections for all Honolulu Waldorf School students. International students bring the opportunity for everyone to enhance world language skills, immerse themselves in another culture, and develop their sense of independence.
