

# Honolulu Waldorf School

IMAGINE. EXPERIENCE. DISCOVER.

Dear Parents,

We are excited to share with you information on our housing vendor for our international and out-of-state students. Housing placement is being done by Study & Stay Hawaii, a local company run by one of our own parents, Stacey Kastar.

This is great news because it means that we can provide you and your child with much more specific support, and we can assure you that the highest standards are being upheld.

Please begin the process for housing with Study & Stay Hawaii once your child has been accepted. All payments for housing services will need to be payable to Study & Stay Hawaii. For the current rate and fees please contact Study & Stay. Every attempt will be made to house your high school child with a Waldorf family, but it may not always be possible.

Please go to the Study & Stay Hawaii website to begin the on-line application for student housing.
