Arts Council of Lake Oswego Moves Art Elevated Online!

Lake Oswego, OR - The Arts Council of Lake Oswego, like many other non-profits and businesses, is thinking outside the box to continue conducting business and raising necessary funds amid of the COVID-19 guidelines and restrictions. These are extraordinary times and while the event may look different, its purpose of supporting and bolstering the programs of the Arts Council has not.

The event will take place virtually from May 7 to May 17, and everyone is invited to check out the exceptional one-of-a-kind artistic offerings that await you. Packages include local and international experiences including a private home in historic Zone Romantica Puerto Vallarta, a youth bike, a little free neighborhood library, handyman services, an outdoor summertime dinner for 12 with wine pairings, Domain Serene Vineyard & LO tasting room experiences, a staycation in Lake Oswego, dinners, and much, much more. Plus, if you make a 100% tax deductible donation of $250+ you will be entered to win a beautiful modern planter from Al's Garden & Home. The more times you donate $250+, the more entries and chances to win!

“Changing the event from a live, in-person event to an online auction was the best course to take in light of what is going on with COVID,” remarks Nicole Nathan, executive director. “It will be a fun experience with fantastic packages that that appeal to everyone and every age. The great thing is that there are no tickets needed and you can participate from the comfort of your home.”
The event can be accessed at www.auctria.com/auction/arts%20council or by visiting the Arts Council’s website at www.artscouncillo.org. Register to bid today!

The Art Elevated event is a significant fundraiser for the Arts Council with 100% of donations and purchases going to operations, the positive role we play in Lake Oswego’s cultural life, and the encouraging impact Gallery Without Walls and ARTspace have on individuals, artists, businesses, and visitors.

In its 20th year, the Arts Council is enormously proud of the role it plays in Lake Oswego’s cultural life and the positive impact the programming has on the community.

“Supporting the Arts Council through this online experience will make a difference in the Lake Oswego community with Gallery Without Walls programming, support of local and regional artists, and invigoration of where we live, work, and play. We are sensitive to the economic times we live in and hope that you will take a look at the packages offered, click that donation tab, and help us keep our doors open,” Nathan expressed.
