Gallery Without Walls

2022 WALKING TOUR
**Welcome** to the 2022 Gallery Without Walls outdoor sculpture exhibit of over ninety permanent and loaned works of art. It is open all year and is free for everyone to enjoy. Our downtown rotating exhibition features twenty-seven sculptures on loan from artists for a period of two years, most of which are available for purchase. All other artwork in the Gallery Without Walls belongs to the City of Lake Oswego’s permanent art collection.

The Arts Council of Lake Oswego works to ensure the arts are an integral part of life in our community, now and into the future, with the purpose of placement and preservation of public art in Lake Oswego, providing access to art exhibitions for residents and visitors, and advancing lifelong learning about the arts through educational programs and docent tours.

Gallery Without Walls is a nationally known program of the Arts Council of Lake Oswego. We work in partnership with city agencies, local businesses, and community members to bring sculptures to the City of Lake Oswego, resulting in free, publically accessible art that adorns and invigorates the streets.

**Begin your walking tour** at any sculpture in downtown Lake Oswego. The downtown collection is accessible within a six-block radius. Refer to the map on pages 15 and 16 for the location of each sculpture or text **GWW to 503.468.7346**. You can also find the guide at: **artscouncillo.org**.

**In addition** to those found downtown, there are sculptures placed throughout the City of Lake Oswego, which you can find on the map on pages 17 and 18.

Stainless steel, powder-coated steel, glass  
This gateway piece, located at the intersection of Hwy 43 & Terwilliger Blvd, marks a boundary as people cross from one city into another. ACLO, in partnership with the City of Lake Oswego & the Tourism Advisory Comm., brought this project to fruition. Funded exclusively by city hotel tax dollars, this was an opportunity to create a piece of art with internationally renowned artist, Ed Carpenter. *Flourish*, accessible by foot or vehicle, engages and inspires, illustrating the vital role arts play in Lake Oswego.
