Welcome to the 2022-24 Gallery Without Walls rotating public art program! Art is more important than ever, and public art both humanizes and invigorates public spaces. Each year, new sculptures are brought to Lake Oswego, and this year, twelve new sculptures adorn the streets. Use this brochure and map to locate the new sculptures, and for a complete guide to the outdoor collection, stop by our ARTspace Gallery at 380 A Avenue, Suite A. You can also go to our website at www.arts counci l.org to download the brochure, or scan the QR code and be directed to an interactive website with geo-coordinates and a tour guide with descriptions of each piece, artist information, and more!

YOUR VOTE MATTERS!
THIS YEAR’S PEOPLE’S CHOICE WINNER IS...

We are excited to announce Big Bright Brookie by local artist, Rick True, and sponsored by Rotary Club of Lake Oswego, captured over 40% of this year’s votes!

Five sculptures were nominated from the rotating exhibition by a committee made up of civic leaders, artists, and residents. The sculpture with the most votes becomes a part of the City’s award-winning public art collection and is enjoyed by citizens and visitors 24/7 for years to come.

People living or working in Lake Oswego were eligible. Voting was collected through the ACLO website, mailed-in ballots distributed through the Lake Oswego Review, and ballot boxes displayed at the Adult Community Center, Library, City Hall, and the ACLOS ARTspace Gallery.

The sculpture currently on view on 3rd Street between A and B Avenue was installed last year as part of the 2021-23 Gallery Without Walls rotating public art program. Constructed of aluminum with vinyl auto wrap, auto paint, and a steel base, this piece celebrates the artist’s life and love of fishing.

“The first trout I ever caught flying fishing was a brook trout in the high mountain lakes of Wyoming that was 64 years ago. I made this beautiful fish as a memorial to my wonderful youth. Brookies exist in every western state and all over British Columbia. They were slowly introduced from the eastern states more than a century ago. This series of pieces celebrates the fun I have had in life, while also educating about environmental concerns. I continue to be an avid Oregon fly fisher and have fished most of the region,” states artist Rick True.

The piece will stay at its current location for another year until it finds a permanent home in the summer of 2023 as part of the City’s collection.

The Arts Council would like to thank all those who took the time to vote for this year’s People’s Choice nominees.

Gallery Without Walls is celebrating its 22nd year in 2022. The program has evolved to include 26 on loan works and over 54 permanent sculptures throughout the City by artists of local, regional, and international acclaim.

For more information on artist, Rick True visit, https://www.facebook.com/RickTrueWindSculptures/
