

QUESTIONS TO HELP THE SERMON STICK

Connect To God

February 4, 2018

1. Read John 3:16-17. Now, repeat them in your own words. Make a personal commitment to meditate on them this week.
2. Make a list (privately) of some of the “wrong ways and places” you’ve sought to find your identity. Results speak for themselves. What were the results from your list?
3. Read Philippians 4:6-7, 10-13 writing down 2 or 3 key words, phrases, or concepts as you read. Is it possible to have peace in this lifetime? If so, how? If not, why not?
4. There is a significant difference between remorse/regret and repentance. In short, the difference is where it transpires. Remorse (and regret) occurs in the mind. Remorse often leads to shame and embarrassment. Repentance is a deep response from the heart (soul, the deepest part of mankind). Repentance is a turning in your heart from a behavior or attitude, asking for God’s forgiveness over that past and for His strength to help you not repeat it. Read Matthew 27:3-5, Mark 16:1-7 and John 21:15-17. What’s the difference between Judas and Peter.
5. Is there something still holding you from connecting to God? What it is?

What will it take for you to overcome that barrier?

If you have already made that connection, who can you tell about it this week? Will you?
