## IMPORTANT INFO

*Medical Release Forms:* we need new medical release forms on file at the beginning of each school year (or if a new student attends a trip/event). There will be medical release forms available Saturday morning. Please have insurance info available.

*Money:* Please send your student with money for dinner. We will be eating at Firestone (Dog House Grill but on the coast). \$15 is more than enough for a burger or sandwich, drink, and to split a basket of fries with other students (baskets of fries feed about 4 adults). We will be providing sandwiches for the students at no cost to you.
