

CANTERA XVII Application and Instructions

Thank you for your interest in joining Project Combina. We are a non-profit that serves soccer players who would like to attend college (whether on a soccer or academic scholarship, or both).

ABOUT US. Our program spans all years of high school. We will teach you how to write and prepare for college, using soccer. You will be expected to volunteer, read, and attend our sessions. The annual time burden is approximately 3 weekends a year during the school year. There is no cost associated with the program. However, you may be required to fundraise and help promote the organization.

TRYOUTS. To be eligible to join Project Combina, you **MUST** attend **at least one** of the two tryout sessions. We encourage you to attend both if possible.
