

ANEMONE PENDANT

14" L x 14" W x 15" H

The Anemone pendant lamp is named for the soft, brightly colored sea creatures that look like a flower and often live on rocks under water. A little mermaid's best friend, the Anemone Lamp is inspired by sea corals to brighten up your life.

This piece the newest variation of the award-winning design debuted at Salone Satellite in Milan and is currently in stock and available in either natural color or hand-painted.
