Monthly tuition is based on a nine-month dance semester with approximately four classes per month. For your convenience, tuition is payable monthly. There is no extra charge for months with five lessons nor is there a reduction or refund for any classes missed or holidays. We continue enrollment even after the start of the dance year, so some of our classes may reach our maximum class size and we will have to close enrollment for this class. For this reason, if you sit out a month, you may not have a place in class the next month.

June tuition will be pro-rated, and is not included in payment schedule (monthly). Siblings receive 10% off tuition. Discounts are applied to the lesser tuition first.

A \$30 registration fee is due at the beginning of the fall session (\$15 for siblings). All students must pay a 2017-2018 registration fee unless one was paid after April 1 of 2017.

Tuition is due the first of every month. If the studio is closed or your dancer misses class, tuition is still due on the first of the month. Tuition is non-refundable. If tuition is paid on or after the 10th of the month, a \$10 late fee will be added. Automatic bill pay is required, and all accounts with bill pay will be charged on the 3rd of every month. You are responsible for monthly tuition until you notify the studio office of your intent to withdraw from a class. Charges will continue until we receive notification of a dropped class from a parent.

Class Make-Up Policy

Classes must be made up within one month of the missed class. Students may make-up in the same or one level below their current level.
