Our Carter Burden Luncheon Club has a new home while our East 74th Street building/senior center is being renovated. We are so thankful to Father Cole and his generous team at **Church of the Epiphany** for opening their doors to our seniors and staff. We started serving meals at Epiphany, 1393 York Ave (74th/75th), on September 23rd and were so excited to have a full house and to see all of our smiling seniors again!!
On September 26th, we celebrated our Carter Burden Gallery’s 10th Anniversary! The room was packed with CBG artists, including many teaching artists and resident artists from our senior centers. A big thank you to Blick Art Materials who donated gift bags to the festivities and to Macquarie Group for their many years of support. We are thrilled to have featured over 200 professional artists the past ten years, and we look forward to the many years to come!
