

Help your Scouts experience the true meaning of Memorial Day

Every year, area Scouts and Veterans assemble on the Saturday morning before Memorial Day to honor our veterans by placing a flag on the graves at Camp Butler National Cemetery near Riverton.

This year we are extending an invitation to your unit to join us in an experience your Scouts will carry with them the rest of their lives.

There are two opportunities for your scouts to participate in this honor.

On Saturday, May 27, 2017 at 7:00AM we will begin placing flags on the graves of our veterans, rain or shine. This generally takes less than an hour.

Scouts and Scouters participating are requested to be in uniform.

On Tuesday, May 30, 2017 at 8:00AM, Scouts and Scouters will aid the cemetery staff in taking the flags off the graves. Scouts and Scouters participating are requested to be in uniform.

We hope your Scouts can participate in this activity. If you have any questions, please contact Spencer Goff @ 217-622-0820 or by e-mail at thor62561@yahoo.com

FLAGS AT CAMP BUTLER
