

professional indemnity
insurance

With claims against professionals now a part of the business landscape, your clients in professional practice face the very real threat of claims against them.

Tasman Underwriting understands risk in the context of your clients' practices and professions. We can provide your clients with cover up to \$20 million on civil liability wordings.

Our policies are underwritten by Lloyd's of London, which is an APRA authorised Australian insurer rated "A+ (Strong)" by Standard and Poor's and "A (Excellent)" by AM Best.

Roy Daly
Chief Underwriter

The Tasman Difference

We provide first class service and innovative solutions. Our experienced underwriters can work with you and your clients to ensure peace of mind in these litigious times.

Tasman has been a Lloyd's Coverholder since 2001, and we provide prompt and efficient claims handling. We appreciate the need to act quickly to protect your clients' interests and we draw upon an expert panel of lawyers, investigators and other professionals to assess and settle claims for the best possible outcome.
