

SEEKING & SAVING TOUR

ANNOUNCING THE LENT & EASTER 2018 TOUR

January 31, New Orleans, LA. - After a busy year of touring the US and creating new music projects for 2018, **The Vigil Project** shows no signs of slowing down any time soon. The dynamic collaboration between musicians and filmmakers continues to inspire and uplift the Church, especially through a collection of reflective videos and a catalogue of songs that lead to the heart of prayerful encounter with God.

Next up for the group is a spring 2018 tour titled **"Seeking and Saving"** that will take them across much of the US sharing music and a message themed for the Lent and Easter seasons. With events in more than fifteen cities, TVP has one goal: **to watch and pray** through the great mystery of Jesus' death and resurrection and wait for the coming of the Holy Spirit at Pentecost.

The events will feature live music, dynamic speaking, and prayer all aimed at telling the story of the depth of God's love poured out through his Son Jesus, who came to "Seek and save the lost. (Lk 19:10)" By offering this story through a multimedia program, the group hopes to bring it to life in a new way for those who are familiar with it and those who have never heard it before.
