About the Job

My First Place is an education and employment program developed nearly two decades ago by First Place for Youth. Envisioning a future where the disparities between foster youth and their non-foster peers have been eliminated, the My First Place program is expanding to communities across the country, starting with HopeWell’s implementation in the Greater Boston area. Through My First Place, youth receive stable, safe and affordable housing, community-based case management, and individualized education and employment supports. Under the direction of the Program Director, a team of staff including Youth Advocates, an Education and Employment Specialist, and a Housing Specialist, support youth in working towards healthy living, education, employment, and housing goals that youth set for themselves. HopeWell began serving youth through My First Place in February of 2018 and the program is steadily expanding. This is an exciting opportunity to lead a growing and engaged team to serve transition age youth comprehensively.

The Program Director of My First Place is an essential part of HopeWell’s senior leadership team, responsible for ensuring HopeWell’s mission, values, and vision are the cornerstone of this integrated services program for 18-24-year-old former foster youth. The position will oversee the full scope of the program’s operational and case management services and inspire a culture of continuous improvement that values learning and a commitment to quality. The director will also work closely with the Vice President, Programs to provide strategic leadership to the My First Place program, currently in the Greater Boston region, and to provide support for its planned growth throughout Massachusetts. This position requires an experienced professional whose passion for HopeWell’s mission is matched with strong leadership, sound judgement in the face of complex challenges, and a proven track record of successfully managing direct-service teams.

Key Responsibilities

- Oversee existing My First Place program model. Implement high quality, youth-centered services. Apply trauma-informed, evidence-based, and best practice approaches to transition age youth services.
- Manage program to provide excellent care to youth in ways that are aligned with all applicable agency, affiliate partnership compliance, and state regulatory standards, as well as legal and ethical principles that govern practice, in regards to services provided, record keeping, and data collection and management.
- In collaboration with VP, Programs, provide strategic direction to My First Place programming, focusing on both sustaining and improving services, as well as growth.
- Perform regular outreach to promote referrals, education about services, and utilization of programming and services as intended.
- Establish close and productive working relationships with public and private agency partners and represent the agency at all relevant meetings. Develop strategic alliances with other service providers to ensure that all youth have excellent access to all needed services. Remain appraised of current trends, legislation, and practices in transition age youth services through networking and publications.
- Interview, hire, evaluate and supervise a multi-disciplinary team of program staff. Provide on-going coaching and recognize good work performance through commendations and other staff appreciation programs.
- Ensure staff are trained on and have tools they need to follow regulations, procedures and changes in protocol as well as agency policies.

Disclaimer Statement: In accordance with Federal law and U.S. Department of Agriculture (USDA) policy, this institution is prohibited from discrimination on the basis of race, color, sex, national origin, religion, age, disability, military status, veteran status, or genetic information. (Not all prohibited bases apply to all programs.) To file a complaint of discrimination write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410 or call (800) 795-3272 (voice) or (202) 720-6382 (TDD). USDA is an equal opportunity provider and employer.
• Collaborate with VP, Programs and VP, Finance to develop budget. Monitor and ensure execution of approved budgets and staffing allocations. Ensure that accurate and prompt billing and payment for services rendered is achieved through monitoring and communication with referring agencies.
• Ensure 24-hour on-call support. Provide backup crisis management support as needed.
• Support youth through the intake process and provide other direct services to youth as needed.

Qualifications

The ideal candidate will be well versed in services for transition age youth. The candidate will bring a unique skill set of clinical, business, and managerial expertise and will also possess:
• MSW or equivalent degree in the Human Services; Clinical license or license eligible preferred.
• 5 years of experience in child and family services, including extensive experience with transition age youth and doing community-based work, providing direct service as well as managing programs and teams.
• 3 years of supervisory/management experience.
• Extensive experience with various youth support strategies that use client-centered and trauma-informed approaches; knowledge of best practices in transition age youth field.
• Demonstrated understanding of and competence in serving culturally diverse populations.
• Decisive, effective leadership and management skills. Strong interpersonal skills, with the ability to drive high levels of performance, engagement, and accountability.
• A high degree of effective oral and written communications skills.
• Advanced analytical and problem-solving skills and judgement with specific application to crisis management. Ability to gather and use information and data to monitor program outcomes and manage workloads.
• Demonstrated ability to organize, plan, and prioritize activities with specific attention to higher level strategies while ensuring that details are also effectively addressed.
• Must be comfortable working in community settings and supporting a team who is consistently in the field.
• Successful experience in strategic program development and growth, and entrepreneurial spirit a plus.
• Computer skills sufficient to perform essential functions.

Other Requirements

• Daily access to an automobile is required
• A valid MA State Driver’s License
• Remain current in all DCF required trainings
• Clearing of background checks as required by state and federal law.
