Chief Philanthropy Officer
Midwest, USA

The Opportunity

Centennial is honored to partner with a Greater Cincinnati/Northern Kentucky based family office in their search for its first Chief Philanthropy Officer (CPO). The CPO will build the structure of the family’s new philanthropic fund, ultimately overseeing the gifting of $30M+ each year. This once-in-a-career opportunity will require a Chief Philanthropy Officer who is highly experienced, credentialed, collaborative, strategic, and relatable.

About You

Are you a philanthropy professional with more than 10 years’ experience working in a family, private or community foundation, public charity or endowment, or have equivalent experience advising similar types of charitable entities? Have you led the grant-making process, made program-related investments, or have impact-investment experience?

Do you connect quickly with people, listening to understand their point of view? Are you able to clearly explain complex concepts and build trust with diverse audiences? Are you a consensus-builder with experience in advising multi-generational families with wealth? Are you a leader who knows how to build a team and lead others? If so, read on.

The Responsibilities

The Chief Philanthropy Officer will execute the following responsibilities with excellence:

- Use best-in-class practices to establish all aspects of the Foundation, ensuring regulatory compliance across all Foundation activities, minimizing risk to the family and the family office.
- Work across all functions of the current family office team to set strategy for the philanthropy team and the entire organization.
- Build strong, consistent, and cohesive inter-generational relationships, collaborating with all, in determining and executing philanthropic goals.
- Oversee the launch and ongoing operations of the Foundation, including grant-making efforts.
The Organization

Our highly confidential client offers a team-oriented environment, competitive compensation package, and an enviable work-life balance. Their benefits package includes medical, dental, vision, and short- and long-term disability insurances. Paid training, paid holidays, paid time off, 401(k) and a long-term incentive plan are also included.

Interested?

If you are qualified to build what will be one of our nation's largest foundations and if you are willing to potentially relocate, apply here. A JD/CPA is preferred but not required. Selected applicants will be required to sign a non-disclosure agreement to participate in the interview process. A complete background check and drug screen are also required for employment.
