Community Development Partnership

Chief Property Management Officer Sought

The Community Development Partnership (CDP) seeks a Chief Property Management Officer to drive the expansion of our management of affordable rental homes on the Lower Cape. The Community Development Partnership leads the Lower Cape in building a diverse year-round community of people who can afford to live, work and thrive here. To accomplish our mission, we promote, develop and manage affordable housing; nurture the launch and growth of small businesses; and facilitate collaboration with business, non-profit and government partners.

The Organization
At the Community Development Partnership, we create opportunities for people to live, work and thrive on the Lower Cape (Harwich, Chatham, Brewster, Orleans, Eastham, Wellfleet, Truro & Provincetown). We preserve existing homes, and create new affordable rental opportunities. We support and strengthen local small businesses, as they start-up and grow. We protect our fragile natural environment.

For 28 years, the CDP has been a leader in developing and delivering innovative programs that foster an economically and environmentally sustainable Lower Cape Cod community. As a community development corporation, we value economic diversity and are committed to the inclusion and participation of local area residents, clients, business owners and community leaders in setting our priorities.

The Chief Property Management Officer
The Chief Property Management Officer will lead the CDP’s Property Management Department in the management of the CDP’s existing portfolio of 100 affordable and community rental homes located in sixteen sites and in the expansion of the Department to manage 100 to 150 additional units. The successful candidate will oversee an annual budget of $1 M and supervises a staff of four employees.

The Chief Property Management Officer will work out of our office in Eastham, and report to the Chief Executive Officer. S/he will serve as a member of the organization’s senior management team. The Chief Property Management Officer will manage the onboarding of a new client’s portfolio of 80+ units as well as identify and pursue additional opportunities to expand the portfolio of managed units.
