THE MIDDLE EAST INSTITUTE
SPRING 2024 COURSE LIST

The Middle East Institute Course Bulletin is intended to provide a listing of Middle East and North Africa related courses at Columbia University. The following courses fulfill the regional course requirements for the Masters in Islamic Studies, the Middle East Graduate Certificate, and the SIPA Regional Specialization. Further course details may be found by visiting the appropriate department's website.

While we try to include all courses in these categories, some course information is posted or adjusted after the bulletin has been assembled. We will be updating the list as we approach the new semester, however, for the most up-to-date information on courses students should refer to the Columbia course directory. Please consult the online Directory of Classes for information on course modality.

For approval of courses not listed, which you believe may fulfill regional requirements, please contact the Middle East Specialization Coordinator, Astrid Benedek, at amb49@columbia.edu.

LANGUAGE COURSES
For information on Arabic, Armenian, Hebrew, Persian or Turkish language courses or other general questions on Middle East languages, please see MEI’s website. Placement exams for entrance to language courses beyond the introductory year are held at the beginning of each semester.
