

## **NAHS Marching Band Band Camp Suggested Packing List**

Please pack as efficiently as possible for band camp. We need to fit everyone's belongings onto one truck, so please do not bring unnecessary (bulky) items.

### Music-Related Items:

- Instrument (in working condition. If you need to have repairs done, do them immediately!)
- Reeds, Valve Oil, Etc. as necessary for your instrument
- PENCIL (Correct-o-matic)
- Flip Folder w/lyre
- Music -- we will also be passing out some more music once we arrive
- Tennis Shoes for rehearsals (you might want to bring a different pair than you wear during free time) -- Sandals/Flip Flops are not acceptable for rehearsal
- Socks for rehearsal

### Lodging-Related Items:

- Sleeping Bag
- Pillow
- Extra Sheets/Blankets (The cabins are air-conditioned)

### Clothing

- Enough clothes to last Sunday afternoon through Thursday evening.
- Extra shoes/socks (sandals/flip flops are fine for free time)
- PJs
- A laundry bag to store dirty clothes after use
- Swimsuit
- Water shoes or OLD shoes (for canoeing)

### Personal Hygiene Items

- Soap/Shampoo
- Deodorant
- Towels
- Toothbrush
- Toothpaste
- Deodorant (I know, I listed it twice)

### Other things you might want:

- Some snacks (Do NOT bring excessive amount of candy/junk food. Between the sun and the low nutritional value of these items, you'll be exhausted and grouchy).
- Spending money (there is a snack bar that will be open at times. Also, we do a pizza night)

- Things to keep you entertained during breaks like cards, books, small games, etc.
- You are permitted to bring iPods and other similar devices, but DO SO AT YOUR OWN RISK. Parents, please help your student decide which devices to bring to camp and which ones to keep at home -- we do not want any lost/damaged valuables!
- Cell service is spotty, at best. Do not expect to be able to have service. The camp does have a wi-fi network setup, but STUDENTS ARE NOT PERMITTED TO ACCESS IT. This is a camp rule, we must follow it. Please do not ask for the password - we will say "no."
